30" Bistro Table

We take great pride in providing simply-styled designs with value added product features. It begins with sustainable, plantation grown Eucalyptus Hardwood and other beautiful mixed-materials designed specifically for your Outdoor Lifestyle! For Care & Maintenance, please see the attached "PLEASE OIL ME" tag or visit our website for complete care instructions and support. Always cover or store furniture Indoors during the winter months and/or extreme weather. We recommend the use of Natural, Refined Linseed Oil for maintaining and preserving the look of any Hardwood Furniture.

Caution: Properly dispose of used Linseed Oil rags.
