

### Notes

1. Daily cleaning, do not use brush, calcium carbonate powder and other items, with a sponge dipped in a neutral detergent to wipe, and then wipe with a dry cloth;
2. The product has just been taken indoors from the outdoor area below 0 degrees. Place it for a period of time to ensure that the temperature of the product is higher than 0 degrees before installation.

Note before installation: Please check the accessories before installation.

1. Before installation, please check all parts according to the equipment accessories list before assembly. If there is any omission, please contact us in time for replacement.
2. Fixed buckle and slot after many tests and grinding, installation can be a little force, so that the cabinet is more precise and stable.

### Unpacking accessories

### Wall Mounted

We provide anti-tipping stickers and screw accessories, you can choose any way to strengthen your shoe cabinet, if you think it is necessary.
