dustbuster® Hand Vacuum Pet (Purple)

Model No. HLVA325JP07

From the #1 Brand in hand vacuums, This hand vacuum comes with a motorized pet head that helps you pick up pet hair without it getting tangled in the brush. Lithium technology gives it powerful suction to help pick up even bigger messes like food and litter. Plus, its on-board crevice tool and push-in brush give you a deeper level of clean. And, after cleaning, dump the dirt and hair without touching it with the no-mess, easy-empty dustbin.

- Motorized Pet Head with rubber tines helps to power through pet hair
- Easily Empty the Dustbin without Touching the Dirt
- Lithium Technology for Strong Suction and Long Battery Life
- Washable Bowl and Filter for Thorough Cleaning
- Clear Bagless Dirt Bowl is easy to see dirt and easy to empty
- Pull-out Crevice Tool for hard to reach areas
- Push-in Brush for dusting and cleaning upholstery
- Charging Indicator light notifies you when vacuum is charging and/or fully charged
- Wall mount for versatile storage solution
