

Ceiling Fan

Installation Manual

THANK YOU

We appreciate the trust and confidence you have placed in us through the purchase of this ceiling fan. We strive to continually create quality products designed to enhance your home. Thank you for choosing us!

CHECK THE ROOM DIMENSIONS

- First, check the room size, and then ensure there is at least 30 inches (76 centimeters) of clearance or space between the fan and any walls or other obstacles that the fan blades might hit to optimize airflow. After installation, please verify blades are at least 7.5 feet (2.3 meters) above the ground. It can also be installed on inclined roofs with a maximum slope of 15°.
