

Easy Installation

No more measuring, marking,
and second-guessing.

Our built-in alignment template
pre-positions every wall-mounting
hole with pinpoint accuracy.

Even for first-time installers, it
slashes installation time by up
to 60%—so you spend less time
on tools and more time enjoying
your shower.

The Cozy logo, featuring a stylized smiley face icon to the left of the word "Cozy" in a bold, sans-serif font.
