

Assembly Instructions

Caution : You must read this before you proceed.

Dining Chair

Parts List

Label	Picture	Description	Qty
A		Chair Seat	1
B		Back Wooden Leg	2
C		Front Wooden Leg	2
D		Seat Base Cover	1

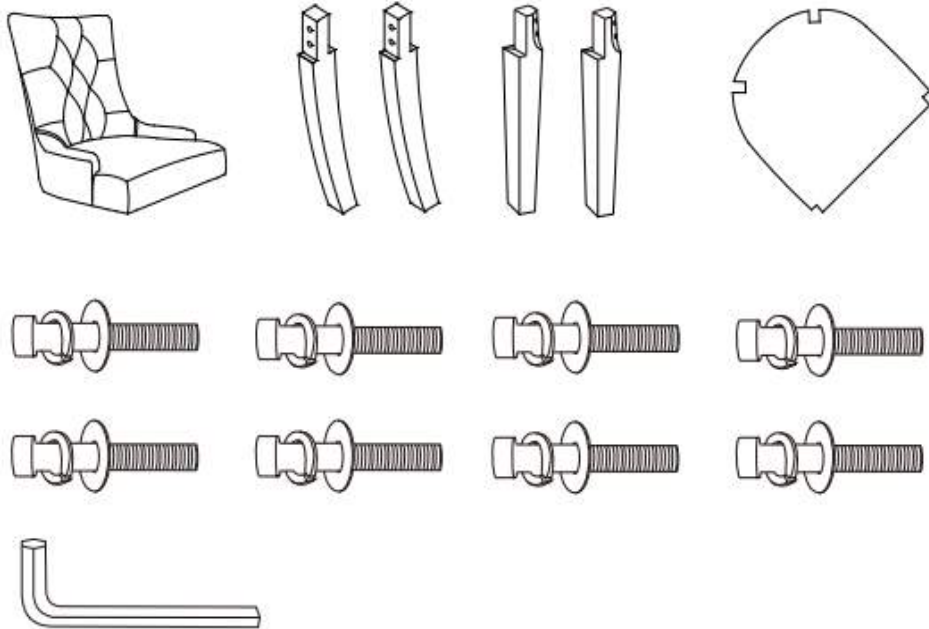

Hardware

Label	Picture	Description	Qty
a		Bolt Dia.M8X60mm(L)	9
b		Spring Washer Ring	9
c		Flat Washer Ring	9
d		Allen Key	1

Assembly Preparation

Before Beginning Assembly:

Unpack all the parts for a clear overview

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

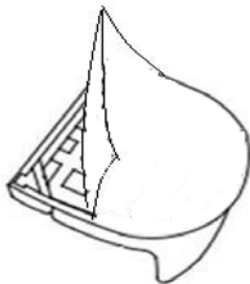

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Step 1

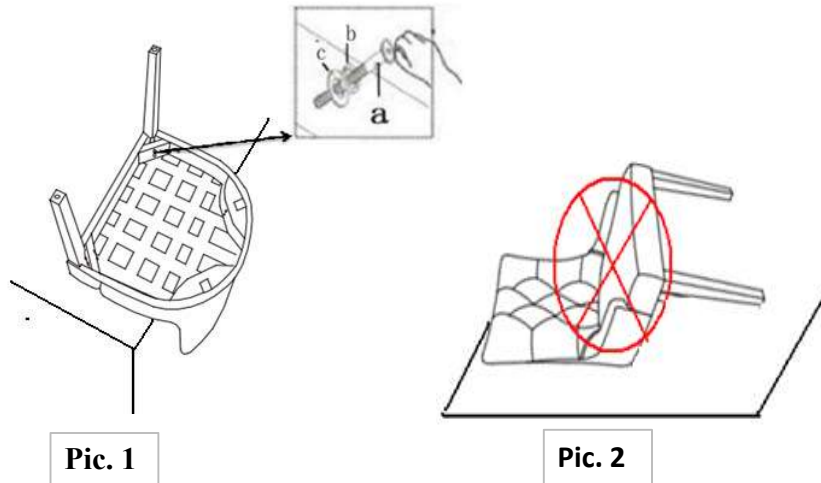

Position the Chair on its back, as shown.

Preferrably on a surface that will not scratch the upholstery.

Take out the 4 wooden legs and the package of hardware accessories under the chair seat.

Step 2

Place the chair onto the side of a table as seen in Picture(1) .
You will now have the chair bottom facing skywards.
Insert each Front Leg completely and vertically into each Front seat frame corner.
PRESS FIRMLY DOWNWARDS with your hand until there is no gap.

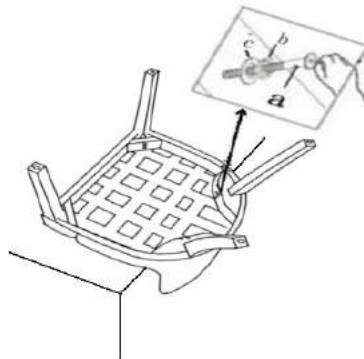

Affix the front legs with 4 Bolts (a) and 4 Spring Washers (b) and 4 Flat Washers (c) using the Allen key(d).

DO NOT overtighten the bolts.

WARNING!! DO NOT OVER TIGHTEN.
OVER TIGHTENING COULD LEAD TO DAMAGE OF THE PRODUCT.
TIGHTEN ONLY UNTIL SECURE AND STABLE.

WARNING!! DO NOT POSITION THE FRONT LEG AS SHOWN IN PIC.2
THIS PICTURE SHOWS THE CHAIR BACK FLAT ON THE GROUND and THE FRONT LEGS HORIZONTAL IN MIDAIR.

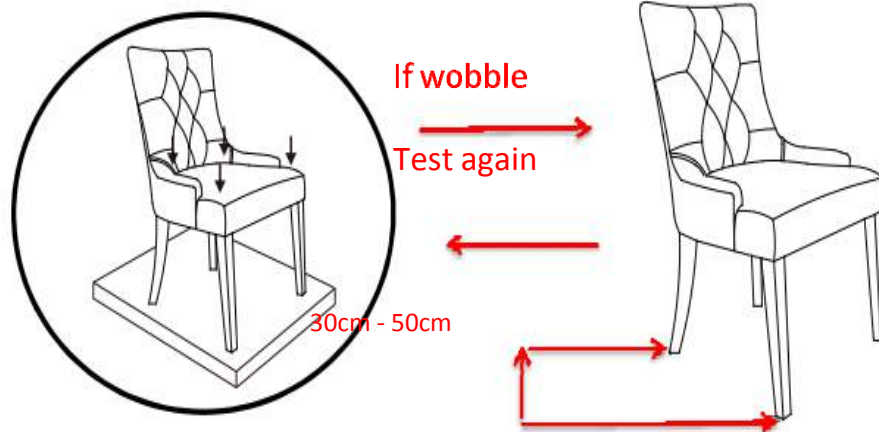

Step 3

Insert each hind leg completely vertically into each back seat frame corner.
PRESS FIRMLY DOWNWARDS with your hand until there is no gap.
Using the Allen key(d), fix the hind legs with 4 Bolts (a) and 4 Spring Washers (b) and 4 Flat Washers (c) .
At this point of assembly, **DO NOT** overtighten the bolts.

WARNING!! DO NOT OVER TIGHTEN.
OVER TIGHTENING COULD LEAD TO DAMAGE OF THE PRODUCT.
TIGHTEN ONLY UNTIL SECURE AND STABLE.

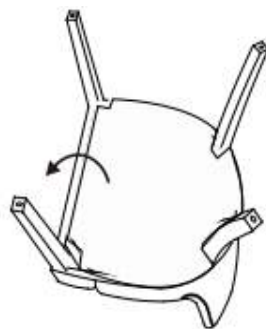

Step 4 DROP TEST

Place the chair on a **LEVEL SURFACE** to see if it wobbles.
If it wobbles, lift the chair to some **30cm to 50cm** height from the ground.
Keep your feet and toes well away from the drop zone.
Drop the chair freely and vertically with the four legs, hitting the ground, at the same time.
This "drop" helps to ensure that all the bolts and gaps to all reach full alignment status.
Test again for evenness on a **LEVEL SURFACE**.
If no wobbles found, proceed to fully tighten all the bolts.
CAUTION : When tightening these bolts, tighten sequentially.
DO NOT tighten any screw fully and then towards the next one.
This would cause the frame to warp.
If there is still wobbles, loosen the bolts and execute this same drop tests.

WARNING!! IF, THE CHAIR IS NOT STABLE , IT COULD LEAD TO DAMAGES IN THE PRODUCT

Step 5

Finally, seal the Seat Base Cover back on to the underside of the chair seat .
Turn it the right side up.
The chair is ready for use.

Care & Maintenance

-   ● Do not put hot items directly on furniture surface
 -   ● Do not clean furniture with harsh cleansers or polish.
 -   ● Do not place furniture under direct sunlight.
 -   ● Do not place furniture near heating or cooling vents.
 -   ● Do not write on furniture without a padded barrier to protect the surface.
 -   ● Do not place furniture outside . For indoor use only .
 -   ● Not for commercial use. For residential use only .
 -   ● Stains may be removed with mild soap solution and damp cloth.
 -   ● Children should not climb or jump on the furniture.
-
-   ● Dust and pick-up spills using a clean, non-colored, lint-free cloth .

Questions & Answers about Proposition 65

- What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 also prohibits California businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

- What types of chemicals are on the Proposition 65 list?

The list contains a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust.

- What does a warning mean?

If a warning is placed on a product label or posted or distributed at a workplace, a business, or in rental housing, the business issuing the warning is aware or believes that it is exposing individuals to one or more listed chemicals.

By law, a warning must be given for listed chemicals unless the exposure is low enough to pose no significant risk of cancer or is significantly below levels observed to cause birth defects or other reproductive harm.

- Where can I get more information on Proposition 65?

If you have specific questions on the administration or implementation of Proposition 65, you can contact OEHHA's Proposition 65 program at P65.Questions@oehha.ca.gov, or by phone at (916) 445-6900.
