

# Assembly Instruction

Please check that you have all the parts listed before you start assembling,if you do find that something is missing,do not continue assembly,please contact us immediately.

**NOTE:**Please do not completely tighten all the hardware until the entire assembly is complete!

# ! IMPORTANT

Please follow the instruction manuals and use a pad to protect the product during your assembly.

**Note:**

1. Should be assembled on flat ground to keep balance.
2. Before completing the installation, do not tighten the screws.

For easier and better assembly, **2** or more adults are required.
