

Wall mounted coat racks are a practical and space-saving solution for organising and storing outerwear in entryways, hallways, mudrooms, and other areas of the home. They can also be used in commercial settings, such as offices, schools, and restaurants, to provide a convenient place for employees and guests to hang their coats and other personal items.

Simple design of this hanger make it ideal for every kind of interior. This design is not only very practical. It looks slim thanks to it's smart dimensions, very roomy and also have built-in shelves or compartments for storing hats, gloves, and other accessories.

From Victorian style homes to barns conversions, this hanger will match perfectly.
