

MAURESQUE CHANDELIER
9000-0381

DIMENSIONS: 48.5h x 36.5dia.

MATERIAL: Wrought Iron

FINISH: Bronze Gold/Contemporary Gold Leaf

FREIGHT INFORMATION: Motor Freight (MF)

ITEM WT: 55

PKG WT: 93

FEATURES:

Our Mauresque Chandelier is made of artfully placed sculpted bands of wrought iron in a lovely floral pattern that drips downward. We've taken the inspiration for this design from the orb version of this chandelier, but we've given it the freedom to flow. Just like its rounder sister, it is a study in contrasts with the opposing surfaces being treated to bronze gold and contemporary gold leaf finishes.
