

# Assembly Instruction

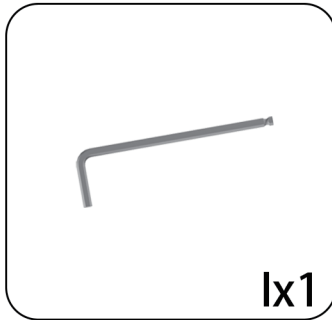

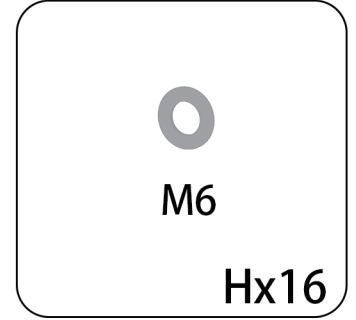

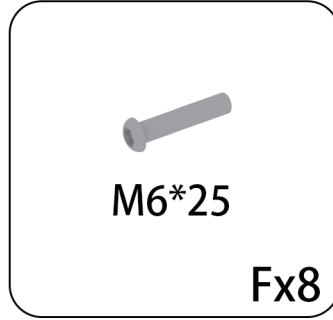

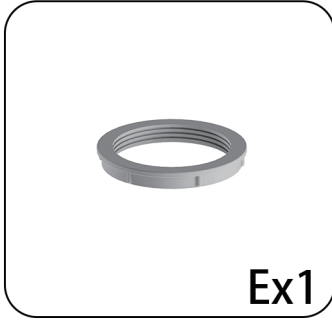

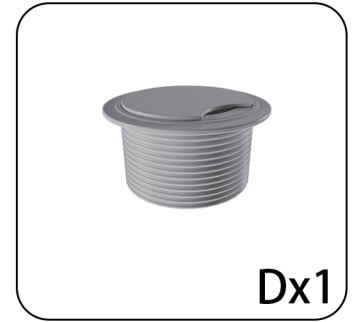

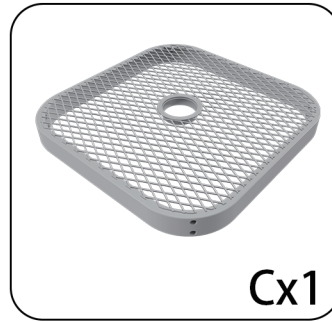

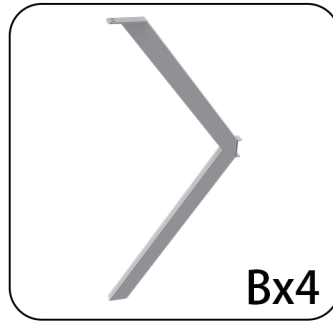

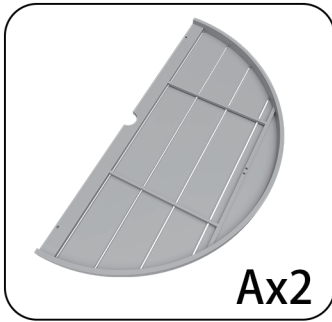

# Exploded Drawing

## Cleaning and Maintenance

1. Clean the furniture with damp cloth, rinse thoroughly. Dry frame parts completely. Do not use bleach, acid or other solvents on the wicker or metal parts.
2. We recommend the use of furniture covers to protect the product when not in use.
3. Inspect and tighten all SCREW on a regular basis to ensure proper performance and safety.
4. In order to prolong the life and beauty of your Item, we recommend storing it in a dry and protected area during off season periods.

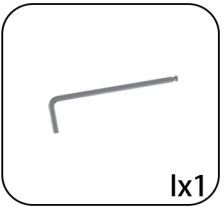

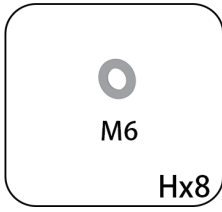

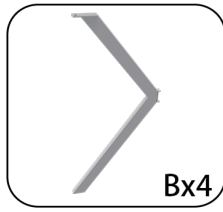

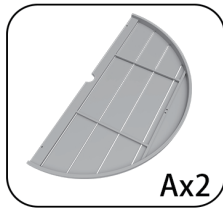

# Parts List

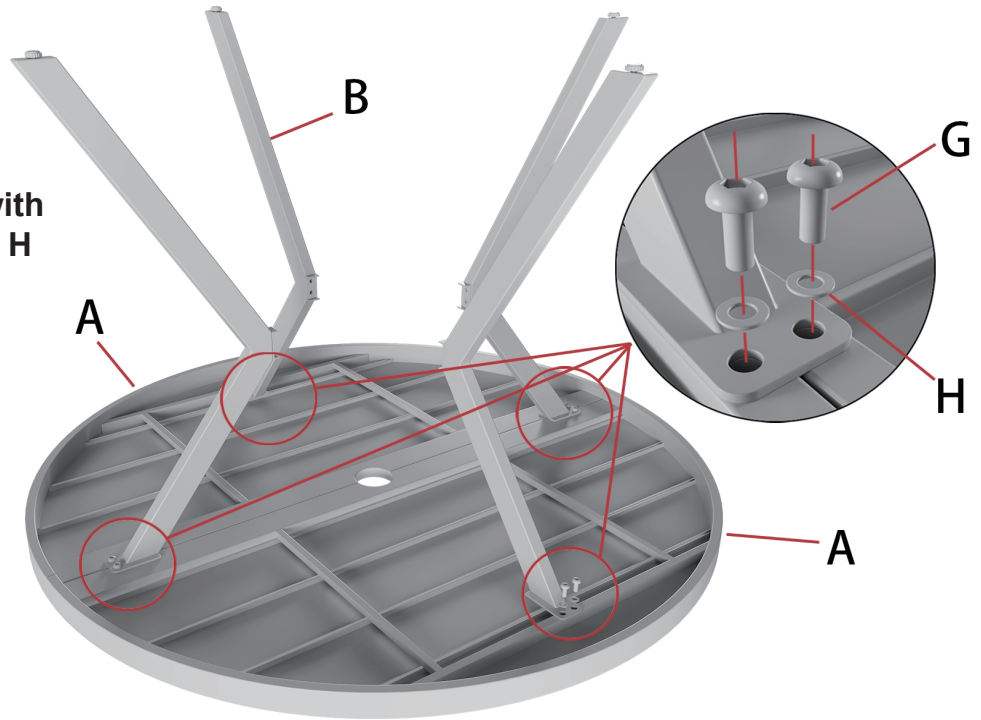

**Please ensure you follow these instructions**

It is incorrect to completely tighten the screws at the very beginning during the installation process. Just make sure that all the components can be fixed in place. Please wait until all the screws are installed before tightening them one by one.

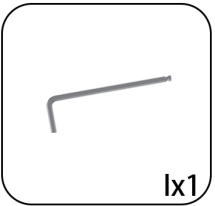

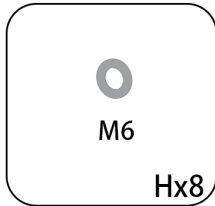

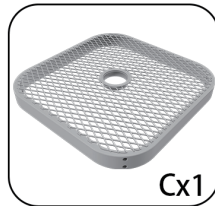

1

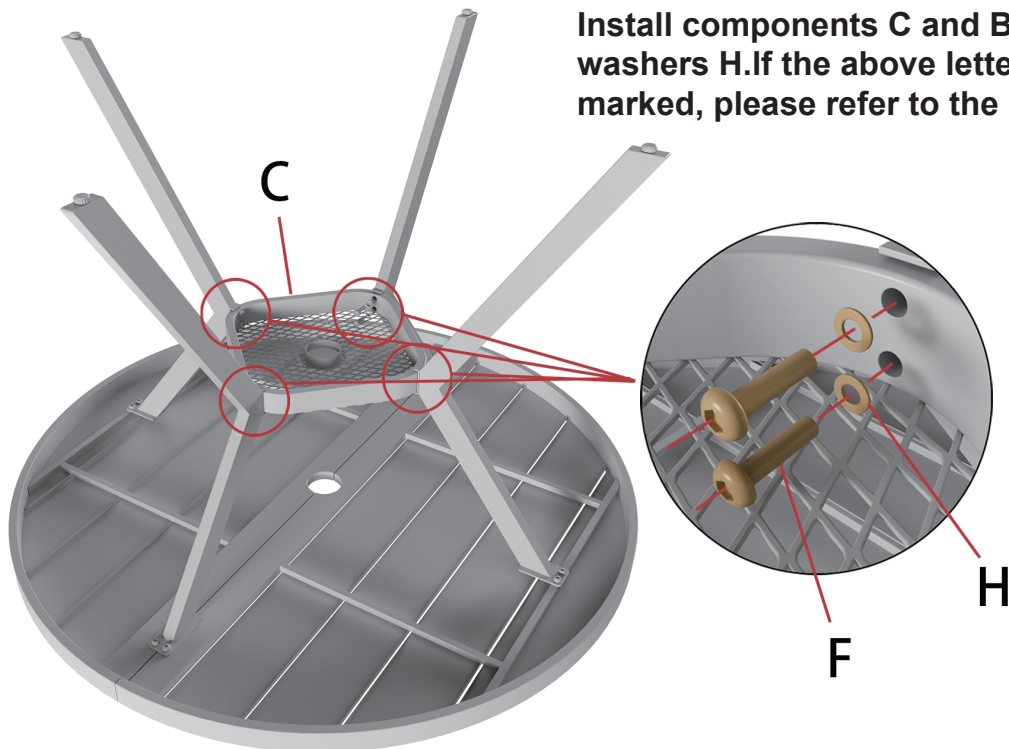

Install parts A and B with screws G and gaskets H

2

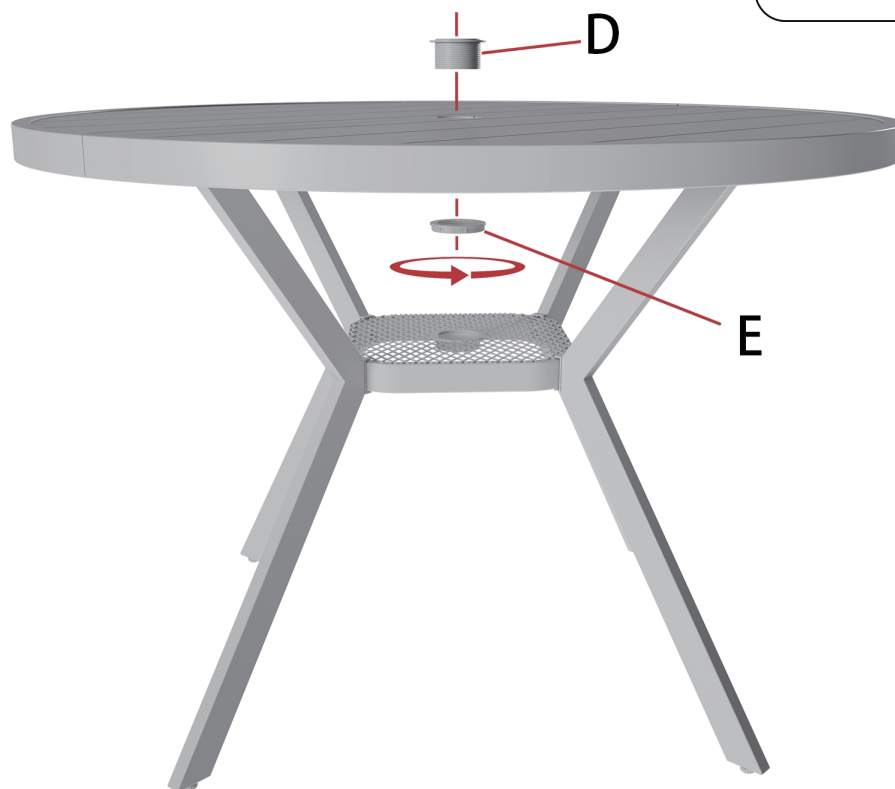

Install components C and B with screws F and washers H. If the above letters are not marked, please refer to the previous step.

3

3

First, lower D from the top into the hole, and then tighten E

4
