ROOK CONSOLE - DUSK

Patent number: 10462571

SKU: SCH-175957

DESCRIPTION

The Rook Console in Dusk embodies a refined approach to craftsmanship, blending timeless joinery with contemporary form. Constructed from oak in a rich Dusk finish, the console features dado joints along the bottom shelf that highlight precision woodworking while creating a clean, uninterrupted profile. Three drawers line the top, each accented with dark brown leather pulls secured by hand-forged metal fasteners in a Mountain Bronze finish—details that speak to artisanal integrity and thoughtful design. A generous open shelf below offers room for display or storage, complementing the console's sleek, architectural lines. With its balance of texture, tone, and proportion, the Rook Console in Dusk brings depth and sophistication to any interior.
