

DTV Prompt® | K-527-E

Digital shower interface with eco-mode diverter

Features

- Digitally controlled
- High-temperature limit setting for added safety
- One-touch control of two valve outlets
- Low-profile design
- Selectable water-saving functionality
- Selectable Fahrenheit or Celsius
- Eco mode limits use to only one outlet selectable at any time
- Easy-to-read LCD display and raised one-touch buttons
- Integrated diverter lets you toggle between two water outlets
- Digital thermostatic valve ensures safe and accurate temperature control
- Warm-up mode reaches set temperature and then pauses until you're ready
- Pause function stops water flow for up to two minutes
- Countdown mode allows you to set shower duration to save and manage time and water use
- Ideal for new installation or retrofit to existing shower
