# Important Safety Information

## Product Caution

- This product is intended for normal outdoor use;
- It is recommended to store or cover this pergola when any formidable or severe weather is approaching.
- Do not locate this product near the open flames.
- Do not shake, lean or climb this product.
- Do not use this product as a toy.
- Children under the age of 10 should be supervised by capable adults.
- This product is NOT intended for commercial use otherwise the warranty is invalid.

## Safety Warnings

- Please keep children out of the assembly area before assembly.
- This pergola unit is heavy, and may require two adults for safe assembly.
- Do not use or store this product in the proximity of open flame or flammable/com-bustible chemicals.
- Keep all flame and heat sources away from this fabric.
- The fabric will burn if left continuous contact with any flame source.
- Be aware that some parts are heavy and have sharp edges.
- If any parts are missing, broken, damaged, or worn, stop using this prod.
- When not in use, secure the product in a cool and covered location.

## Warranty

### 1 YEAR FRAME AND FABRIC WARRANTY

#### What Is Covered

We warrant the frame and fabric to be free of manufacturing defects to the original purchaser for one year.

#### What Is Not Covered

It remains the customer's responsibility for freight and packaging charges to and from our service center. This warranty does not cover commercial use, hardware, acts of nature, fire, freezing, and abusive use. In addition, purchase parts are not covered under this warranty. We reserve the right to make substitutions with similar merchandise, if the model in question is no longer in production.

## Pre-Installation

### Planning Assembly

Read all instructions before assembly.

To avoid damaging this product, assemble it on a soft, non-abrasive surface such as carpet or cardboard.

## Care and Cleaning

- To clean wipe with a sponge and warm soapy water then wipe with a dry, clean cloth.
- Do not use solvent based cleaners or detergents as they can bleach or damage the product.
- Clean the fabric using warm soapy water only. The product must be thoroughly dried afterwards to prevent mildew or mould stains from forming. Most stains can be removed with a mild soap.
- Never use a pressure hose or washer to clean the product.
- Never use scourers, abrasives or chemical cleaners.
- Wipe clean with a soft dry cloth.
- Store the product in a cool dry place. Before storage ensure that it is clean and dry.
- We recommend the use of furniture covers to protect your product when not in use. During bad weather and winter months the product should be stored in a cool dry place.
- To clean metal frame, use a soft cloth moistened in lukewarm soap and water. Then buff with a dry clean cloth.
