

# Assembly Guide

1. Open the box and take out all the parts.

2. First twist off the snap ring of the lamp holder, then thread the lamp holder through the circle of the metal piece, and finally twist the snap ring on the other side to fix the lamp holder.

3. Insert each feather directly into the lamp body, please ensure that the feather is fully inserted.

4. Fix the installation bracket to the ceiling with screws and fix the lamp to complete the installation.
