

# ALFZ53

32" x 23.63" x 22.63" (H x W x D)

24 in. wide frost-free built-in undercounter ADA compliant all-freezer with stainless steel door, black cabinet, lock, and digital controls; matches AL54 refrigerator

**Highlights:**

- 32" height allows easy installation under lower ADA compliant counters
- Pair with our AL54 all-refrigerator to create the perfect undercounter ADA compliant set
- True frost-free operation saves you maintenance by preventing icy buildup

**Product Features:**

|                        |                                                                                                          |
|------------------------|----------------------------------------------------------------------------------------------------------|
| ADA compliant design   | 32" height allows easy installation under lower ADA compliant counters                                   |
| Built-in capable       | Make the best use of space by installing your freezer under the counter and flush with other cabinets    |
| Frost-free operation   | No-frost convenience eliminates the need to manually defrost the unit                                    |
| Stainless steel door   | Durable construction with a professional look                                                            |
| Digital thermostat     | Electronic controls offer easy and intuitive temperature management                                      |
| Recessed LED light     | Elegant lighting with an on/off switch located on the control panel                                      |
| Reversible door        | User-reversible door swing for added flexibility                                                         |
| Adjustable shelves     | Rearrange your freezer space to accommodate all shapes and sizes or remove shelves for a simple clean-up |
| Factory installed lock | Keyed lock for a secure interior (2 keys included)                                                       |
