

Incandescent

An array of geometric patterns in this six-light pendant is a nod to the musical description of a tender and melodic tone. The modern design features lights that are distributed around a circular Black band. Mixed metal elements, which are present in Brushed Silver and Brushed Brass accents, can complement monochromatic color palettes that are popular in homes today. Each fixture in this collection creates a focal point and is ideal for Luxe and Modern interiors.

- Interlocking angular geometric elements within a curving frame create a pattern play that adds movement to a room's design
- The circular band creates a hidden glow within this shapely fixture
- The six-light pendant works well as a pair over a kitchen island or large dining table, and adds pizzazz to a tray ceiling in a master bedroom
- The fixtures in this collection are best suited for Luxe and Modern interiors
- A Black frame surrounds sculptural elements in Brushed Silver and Brushed Gold
- Measures 24in diameter x 26in ht.
- Uses six, 60-watt max. medium base bulbs including LED equivalent (sold separately)
- Compatible with standard wall dimmer
- Our products are designed for exceptional quality, reliability, and functionality
- Includes installation instructions and mounting hardware
- Coordinating fixtures available
