

# Collection: Malibu

Fixture Type: 1 - Light Vanity Fixture

### Description:

With its clean and glistening design, the Malibu lighting collection by Feiss is suitable for interiors classic to modern. It features crisp Opal Etched glass drum shades supported by a steel frame. The frame's shiny Polished Nickel finish accentuates the stepped details on each shade holder and the central column. On the vanity fixtures, the stepped details are duplicated in the oval backplate. The Malibu collection consists of multiple chandeliers, pendants, and bath and ceiling fixtures.
