Installation Steps

1. Connect a set of 3 wooden brackets with A-type screws. Install all 3 sets.
2. Put the butt-lock screws through the round holes on the lampholder hardware brackets and the round holes on the wooden brackets, and secure the wooden brackets and lampholder with a hex wrench.
3. Align the screw holes on the side of the round wooden board with the notches on the wooden brackets, and attach the round board to the wooden brackets with A-type screws.
4. Use B-Butt-lock screws to attach the 4 pieces of rattan shade to form around shade.
5. Attach the cross iron frame to the rattan round shade with D-type screws and nuts.
6. Put the fabric and two iron circles around to form a fabric lampshade.
7. Put the rattan shade and the fabric shade into the lampholder in turn, and secure the two shades to the lamp with the lock cap.
8. Peel off the wire clamp film, clamp the 3 wire clamps at a distance apart on the wooden brackets, and gently snap the wires into the clamps to clip them.
