WARNING

NO DIVING

SHALLOW WATER

Crippling injuries May Occur

PREVENT DROWNING

Watch children at all times.

DANGER

Warning! Children, especially children under age 5 are at high risk of drowning. Closely watch children who are in or near this pool. Empty inflatable device or prevent access when not in use. Drowning occurs silently and quickly and can occur in as little as 2in. (6cm) of water.

SAFETY WARNINGS: Playing In the Water Slide

Prevent from drowning risk:

- Children must be accompanied by an adult.
- State or local laws and codes may require installing fencing or other approved barriers to keep unsupervised children from accessing the pool. Check state or local laws before setting up the Constant Air Inflatable.
- Keep Children in your direct sight when you are filling and emptying the inflatable pool.
- When searching for a missing child, check the pool first, even if you think your child in the house.
- Some of the inflatable device surfaces are slippery and may present a hazard.

Emergency Aid:

- Keep a working phone and list of emergency numbers near the inflatable device.
- Become certified in a cardiopulmonary resuscitation (CPR) so you can respond to an emergency.

Prevent from serious injury or death:

- Children can drown in a very small amount of water. Empty the pool when not in use.
- Do not slide down on your stomach or head first. **ALWAYS** slide down with your feet pointing down the slide.
- Do not double sliding. **ONLY** one person should be on the slide and climb at a time.
- Do not diving or jumping shallow water. Diving may result in permanent injury or death.
- Do not use outdoor footwear on any part of the inflatable device as it may become damaged.
- Do not running, jumping, or horseplay in or around the pool.
- Do not sliding or jumping down the climbing wall.
- Do not face the sun when sliding.
- Do not rough play, such as somersaults, flips, wrestling and gymnastic moves. Rough play is dangerous for children and can damage the product.
- Do not slide down the slide until the splashdown area is clear.

Slide Rules:

- **ONLY** single sliders at a time.
- Do not climbing up the slides. **ALWAYS** climb up the climbing wall to the top of the slide.
- Do not go down the chute backwards. **ALWAYS** sit on the top with your feet pointing down the slide.
- Do not punshing. **ALWAYS** scoot forward and slide down into the splashdown area.
- Do not eat, drink or chew gum in play area.
- Glasses and goggles are not allowed on the slide.
- Clear splashdown area after exiting slide.
- Parents or guardians are not allowed to catch their children at the bottom of slide.

To avoid serious injury all users must know and follow these safety rules.
