

Assembly Instructions

Caution : You must read this before you proceed.

CAST TABLE

**CAUTION : This table is NOT a TOY.
Keep your child / children at bay in the process of assembly.**

Parts List

No.	Picture	Description	Qty
A		Table Top	1
B		Leg Support Panels	4
C		Table Legs	4

Hardware

No.	Picture	Description	Qty
①		Studs(M8*40mm)	14
②		Washers (8mm)	14
③		Springs Washers (8mm)	14
④		Nuts (8mm)	14
⑤		Screwdriver	1
⑥		Spanner	1

Assembly Preparation

Before Beginning Assembly:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Overview

This Table has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the 4 parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Unpack and place all parts on a clean soft surface.

Note : It is recommended that you have a partner to assist in the assembly process.

Step 2

Place the Table Top(A) with the underside facing skywards.

Fit the Studs(①) by turning into the 4 points on the underside of Table Top(A) with the Screwdriver(⑤).

DO NOT tighten, yet.

Step 3

Next, place and fit the four Table Legs (C) over the Studs previously fitted in Step 2 with Washers(②), Spring Washers(③) and Nuts(④) using the Spanner(⑥) .

DO NOT tighten, yet.

Step 4

NOTE : To HOLD the legs together in position, the LEGS SUPPORT PANELS WILL OVERLAP AT ALL 04 (four) CORNERS.

Fit the Studs(①) into the Legs(C)with the Screwdriver(⑤).

First, attach the Leg Support(B) with Groove End to the Studs(①) and then attach Support Panel(B) without Groove End to Studs(①), together.

Then affix the Leg Support(B) to the table legs with the Washers(②), Spring Washers(③) and Nuts(④) using the Spanner(⑥).

DO NOT tighten, yet

Repeat the same process for all 04 (four) contact points of the Table Legs and the Legs Support Panels.

Once all the panels are in place,proceed to **TIGHTEN** the screw-bolts of the legs, in a rotational sequential manner.

By this action, it allows the table legs to be locked into position, evenly, thus reducing wobbles.

Thereafter, lock all the Leg Support Panels tightly into position.

Step 5

Turn the table right side up.

Adjust the pre-installed Levellers at the end of each table leg until the table is level with the ground.

Securely, tighten and fasten all the screws and washer-nuts.

Your table is now ready for use.

Caution:This Table can only be used on a flat,level surface.

Care & Maintenance

-   • Do not put hot items directly on furniture surface
 -   • Do not clean furniture with harsh cleansers or polish.
 -   • To obtain the longest lifespan of your outdoor products, minimizing exposure to direct sunlight is recommended.
 -   • Children should not climb or jump on the furniture.
 -   • Do not write on furniture without a padded barrier to protect the surface.
 -   • To obtain the longest lifespan of your outdoor products, avoid extended and lengthy exposure to rain, snow, and direct sunshine. Whenever possible cover the product and /or place under patio or awnings.
 -   • Not for commercial use. For residential use only .
 -   • Stains may be removed with mild soap solution and damp cloth.
-
-   • Dust and pick-up spills using a clean, non-colored, lint-free cloth .

What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Why Did I Find a Proposition 65 Warning on My Home Goods Product?

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law, if we don't include this warning.

Should I worry?

We realize you may be worried finding this warning on our products, but we want to reassure you that the hazardous exposure limits for any of these chemicals have never been found on furniture products that we've shipped to our customers. Additionally, this warning label is very common and can be found on almost every piece of furniture sold in the state of California.

Just How Common Are Proposition 65 Warnings?

Proposition 65 warnings have become so common in California that it is hard to take a trip to a local bank, grocery store, or restaurant without finding at least one warning. In fact, even the Disney Land Resort has a Proposition 65 warning:
