# Care Instructions

JUST ADD TLC! Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize daily comfort and improve its longevity. Like anything, if you treat it well, that kindness will be repaid back to you. Your furniture is designed to support you and put a smile on your face. It is there to enhance your home, and your life.

- 1. Position the sofa away from direct sunlight or use curtains or blinds to limit the exposure.**
- 2. Clean the sofa regularly with a dry, soft cloth or a vacuum cleaner with a soft attachment.**
- 3. To remove stubborn stains on fabric, blot affected area immediately with a soft cloth soaked in warm water and mild soap. Then clean off using a dry cloth.**
- 4. Take care not to clean with excessive rubbing. It may damage the weave and discolor the fabric.**
- 5. We recommend fixing felt pads underneath the sofa to prevent scratches on the floor. Placing a rug underneath can also add the right amount of protection and shine to your living space!**
- 6. For optimal care, you should distribute the weight evenly on the cushion regularly. Follow the care instructions and look after your furniture, in return, your furniture will look after you. We hope to see you soon!**
