# Installation Steps

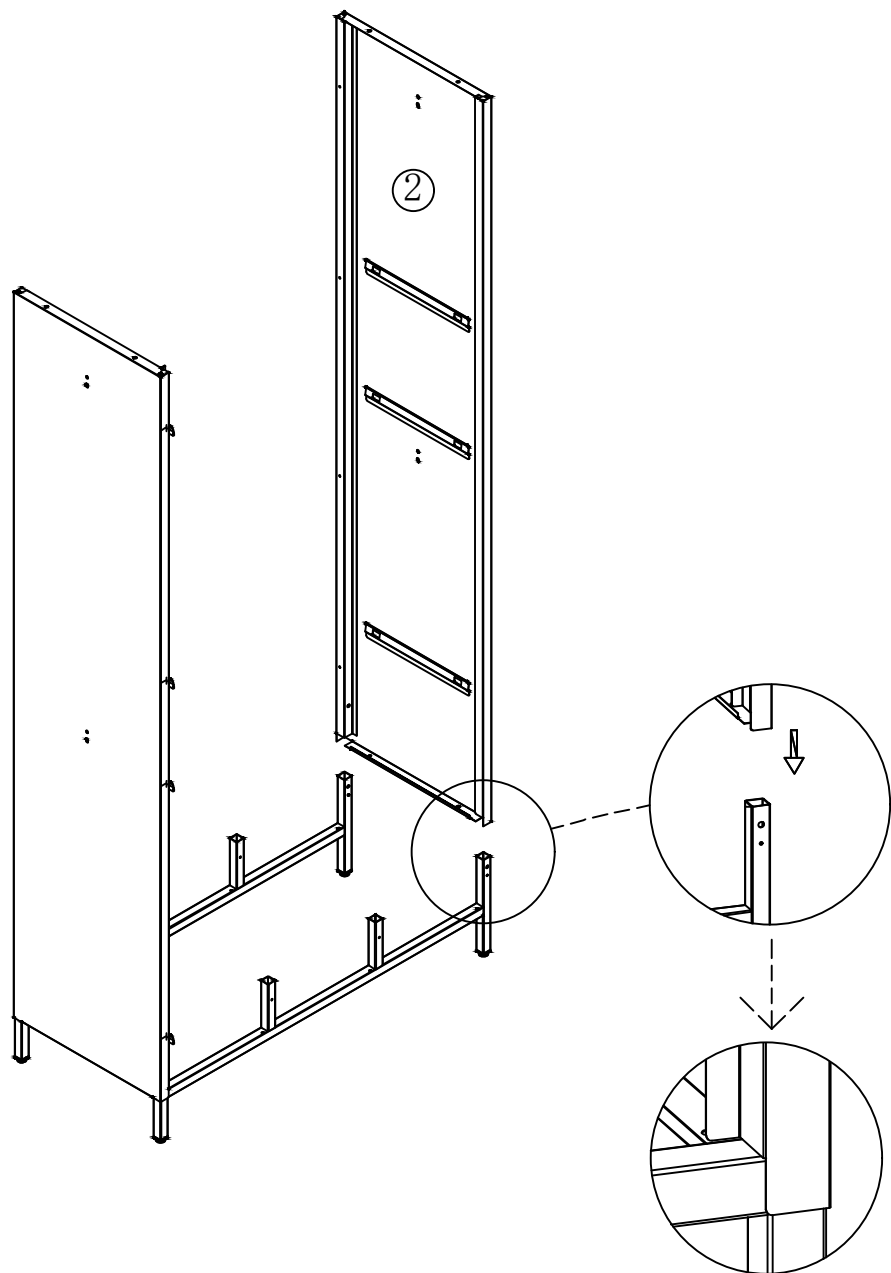

Step 1: Prepare two Part 3 (Pay attention to the direction)

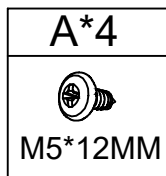

## Step 2: Insert Part 1 into Part 3

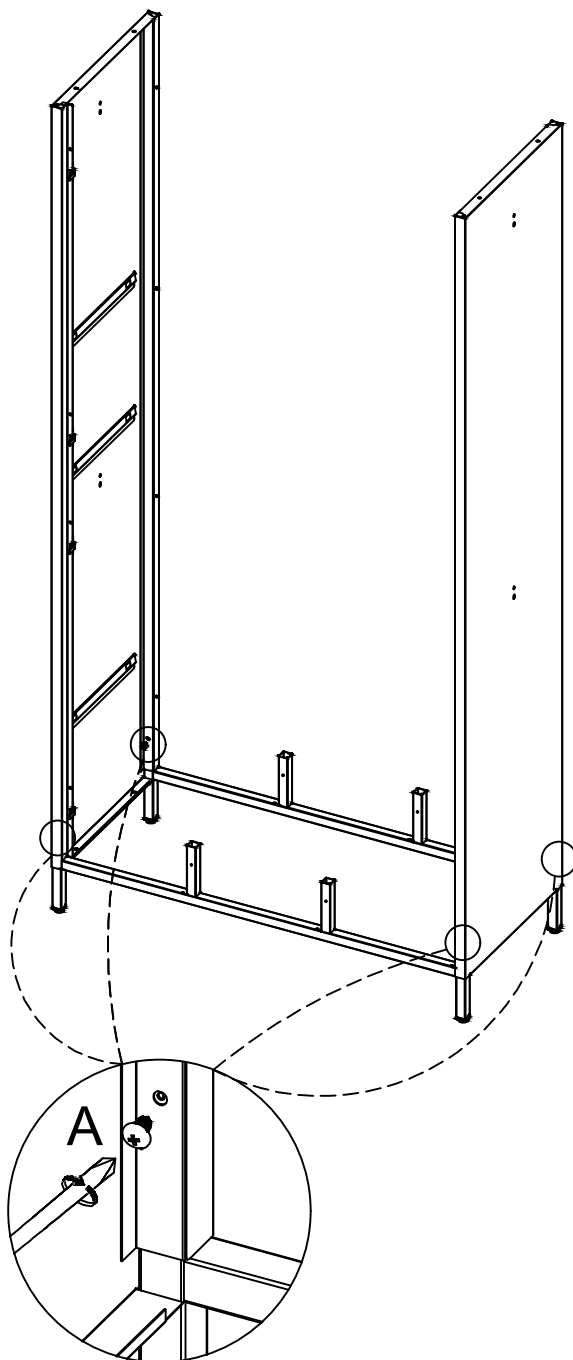

### Step 3: Insert Part 2 into Part 3

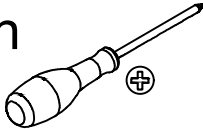

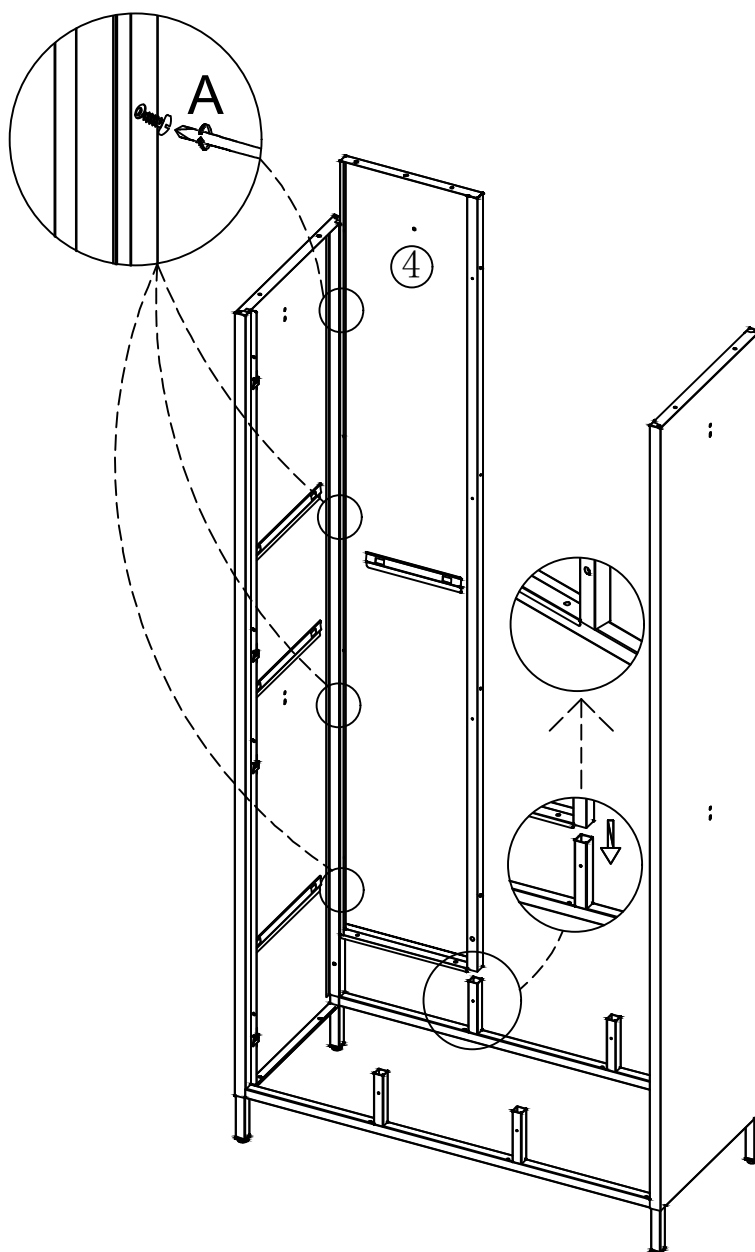

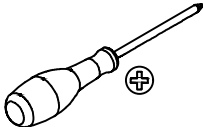

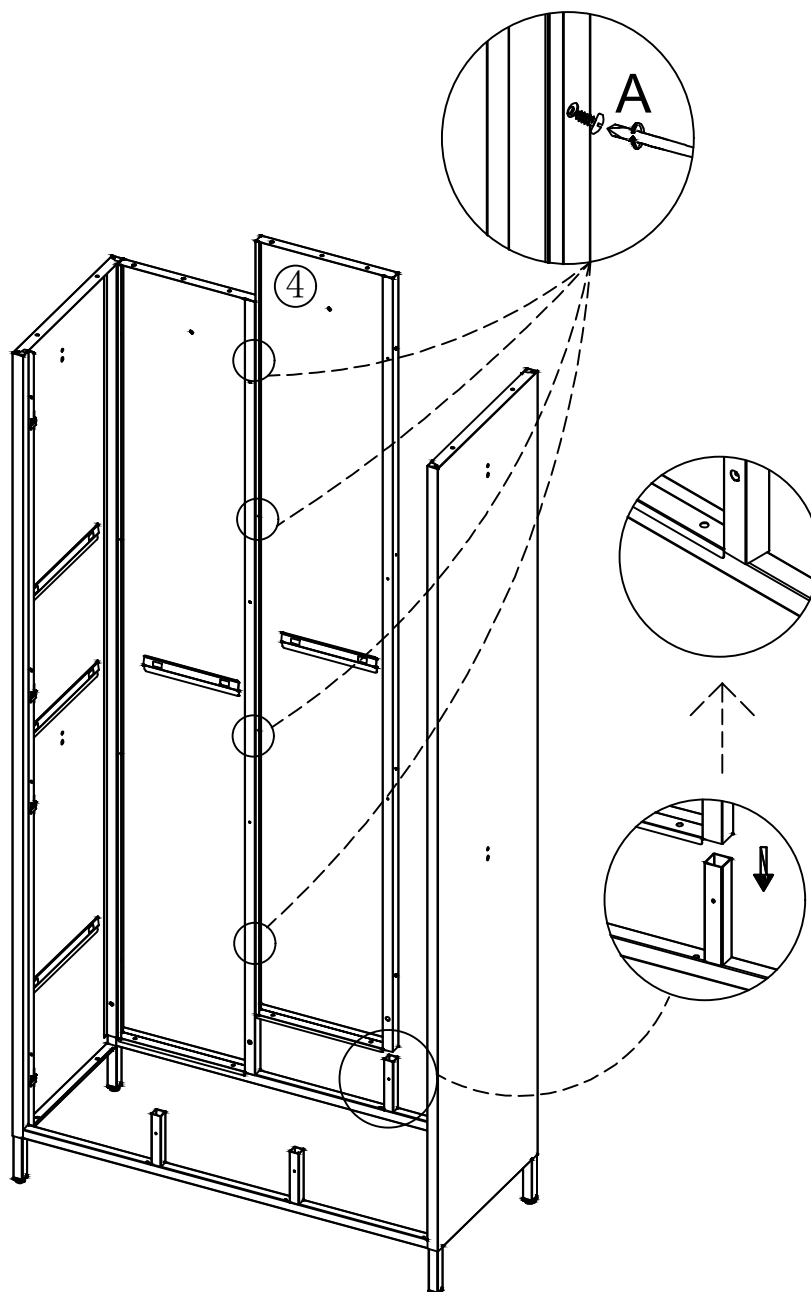

Step 4: Connect Part 1, Part 2 and  
Part 3 with Part A

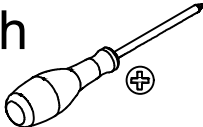

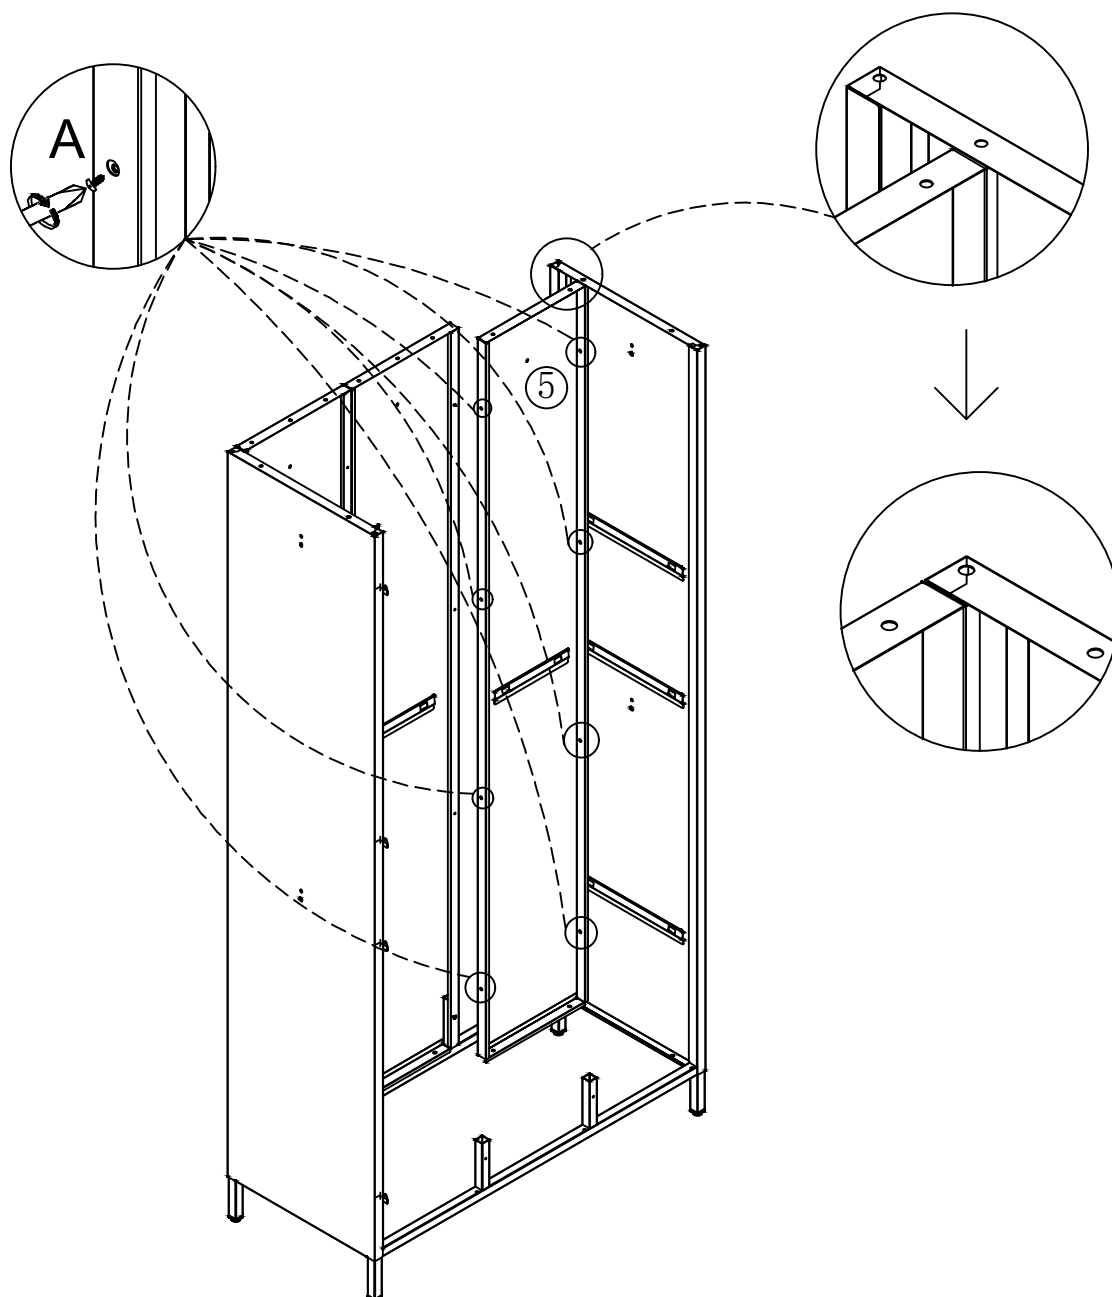

|                                                                                              |                                    |                                                                                     |
|----------------------------------------------------------------------------------------------|------------------------------------|-------------------------------------------------------------------------------------|

|  |  |                                        |

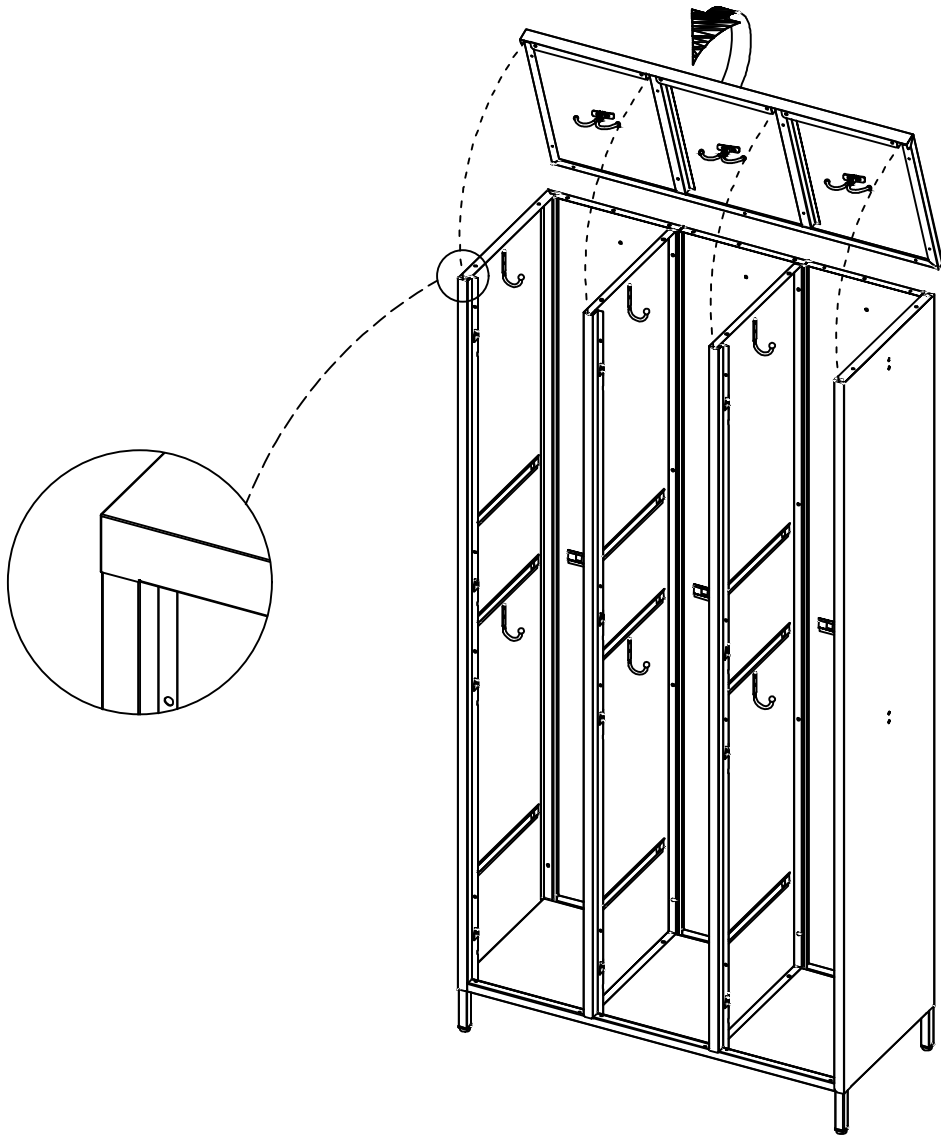

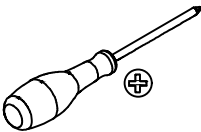

|                                                                                   |                                                                                   |                                                  |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|--------------------------------------------------|
| B*6                                                                               | D*3                                                                               | Step 11: Install Part D on Part 8<br>with Part B |
|  |  |                                                  |

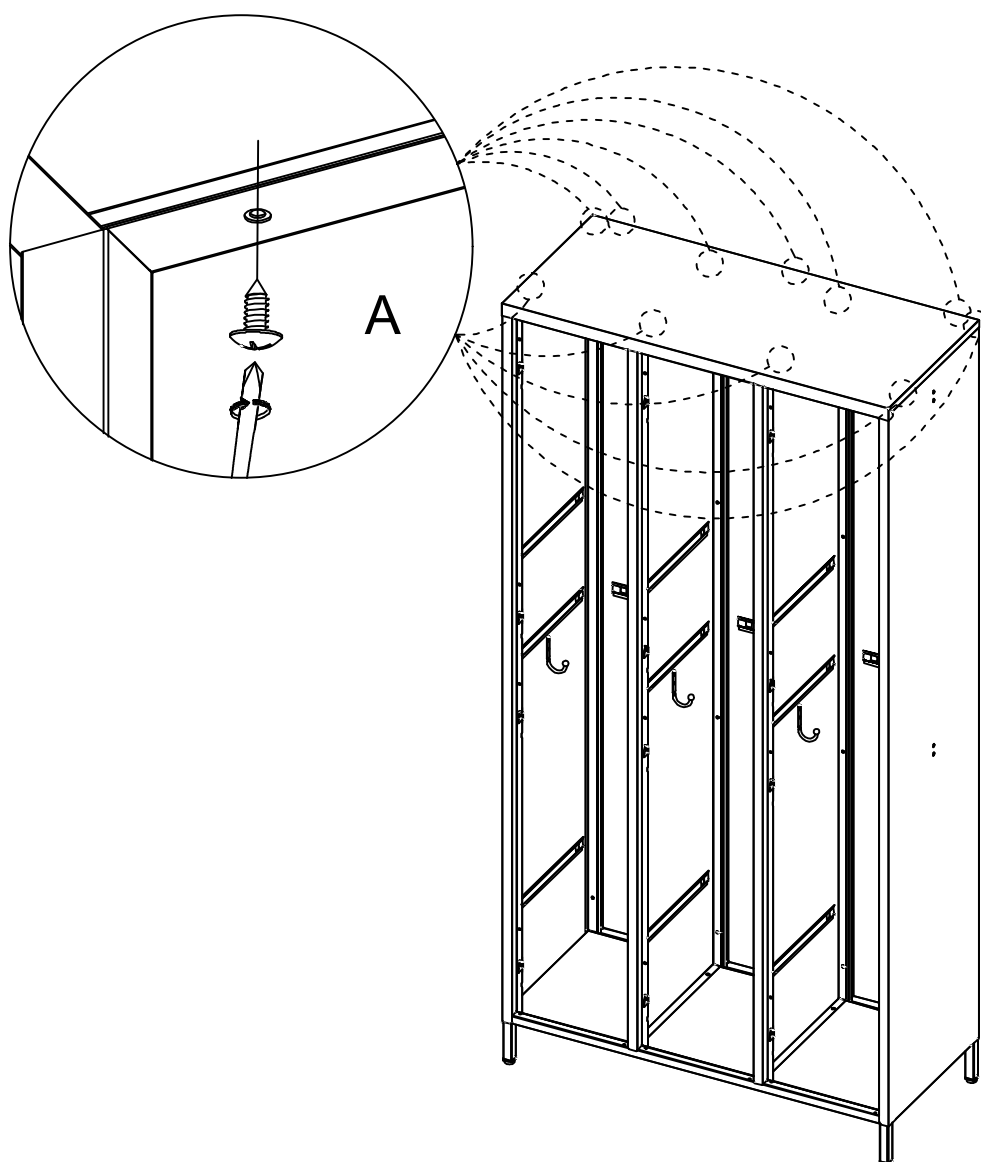

## Step 12: Install Part 8

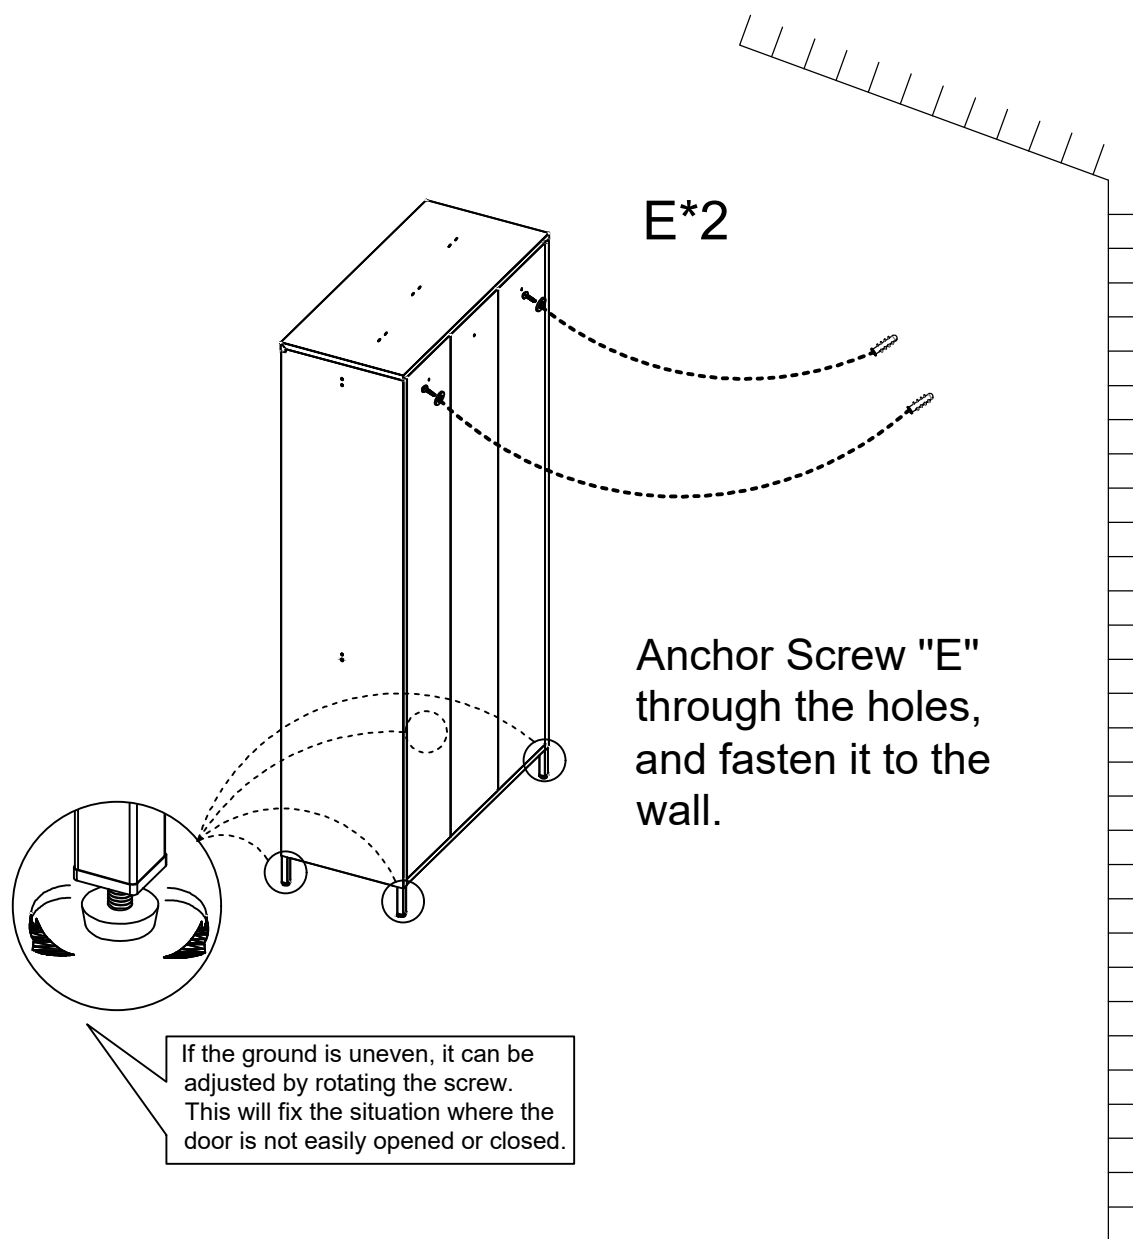

|                                                                                              |                                        |                                                                                     |
|----------------------------------------------------------------------------------------------|----------------------------------------|-------------------------------------------------------------------------------------|
| A*11                                                                                         | Step 13: Install Part 8 with<br>Part A |  |
| <br>M5*12MM |                                        |                                                                                     |

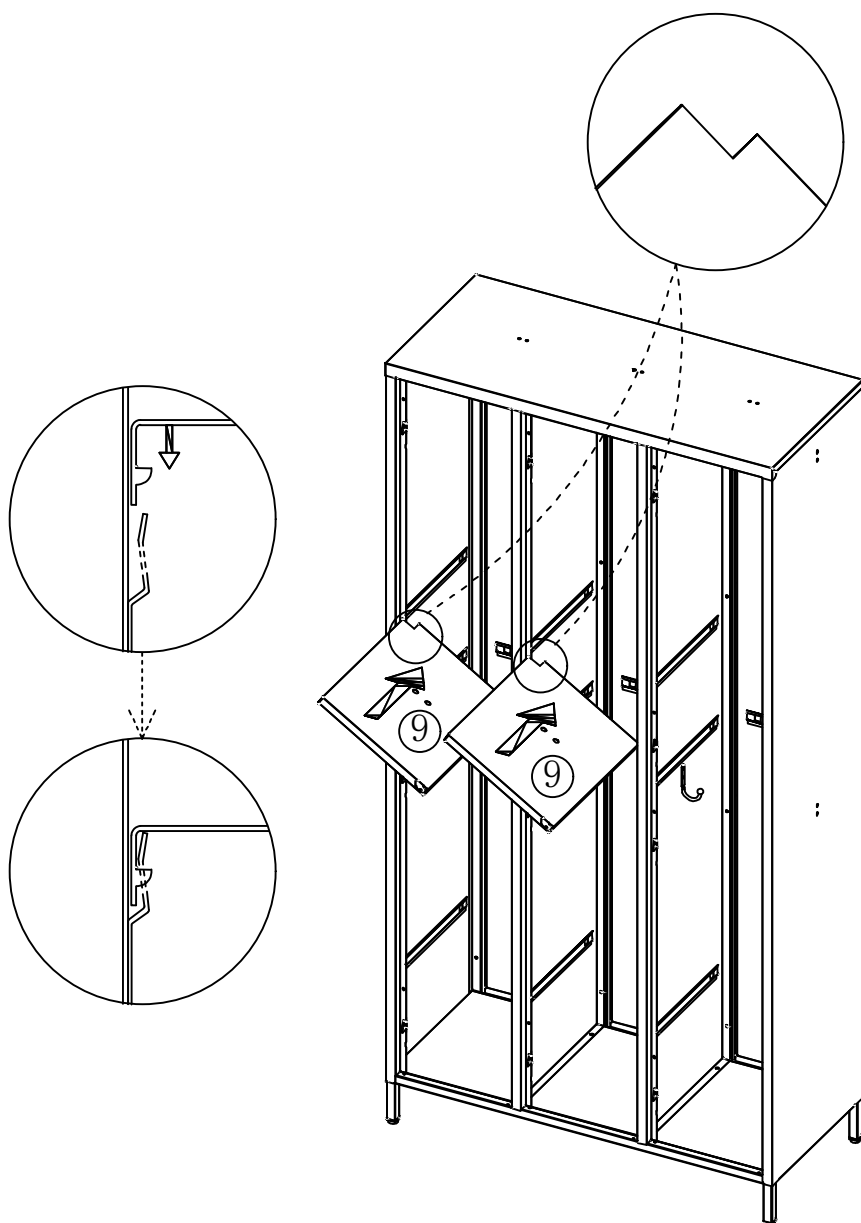

|          |                                                                                      |                                                                                           |                                                                                      |  |
|----------|--------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--|
| Step 14: | E*2                                                                                  |                                                                                           |                                                                                      |  |
|          |  M8 |  M5*30MM |  M5 |  |

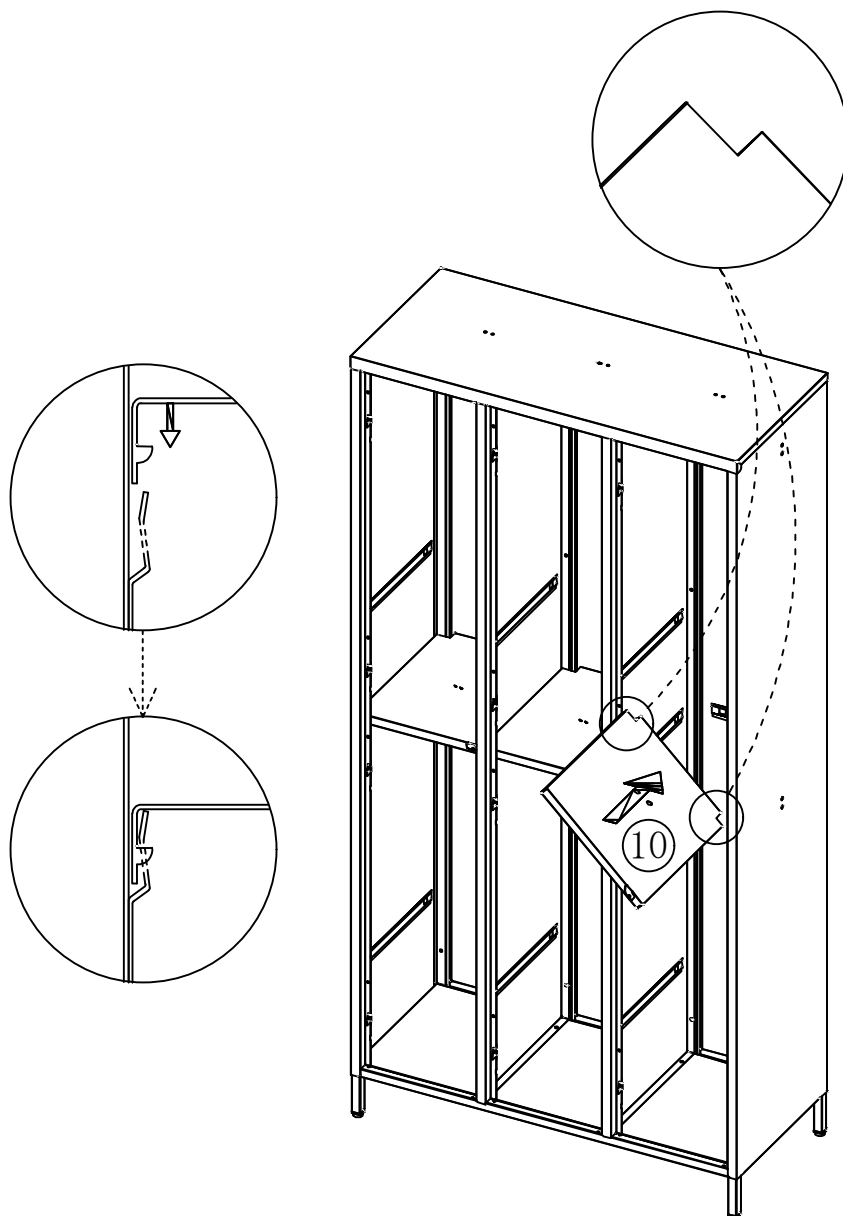

This step can help you  
fix the cabinet on the  
wall.

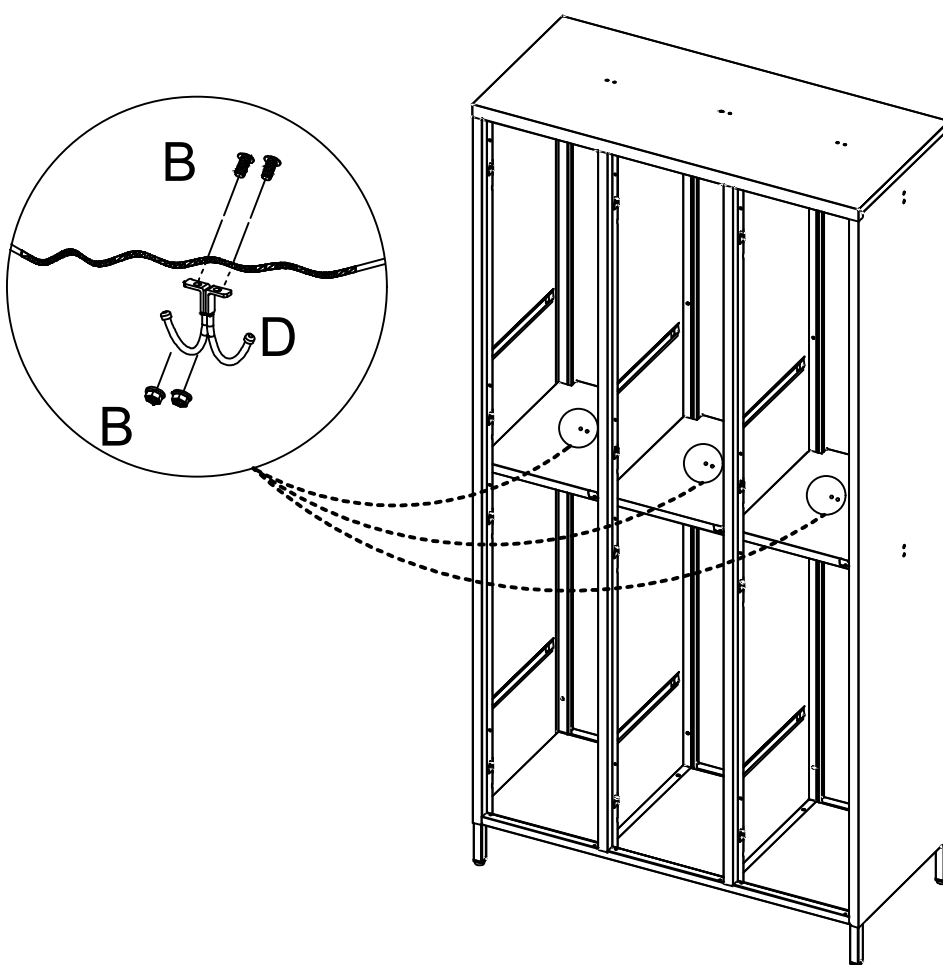

## Step 15: Install Part 9

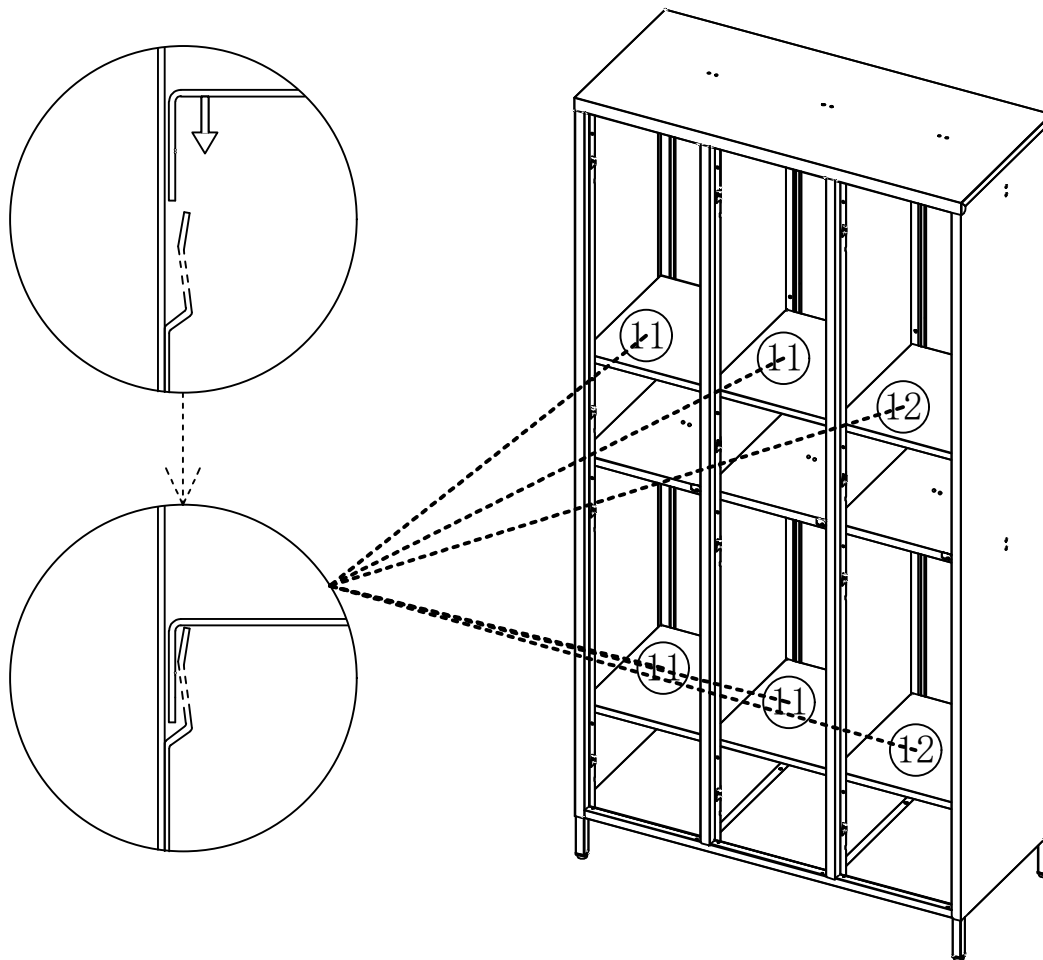

## Step 16: Install Part 10

|                                                                                   |                                                                                   |                                                           |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------|
| B*6                                                                               | D*3                                                                               | Step 17: Install Part D on Part 9 and Part 10 with Part B |
|  |  |                                                           |

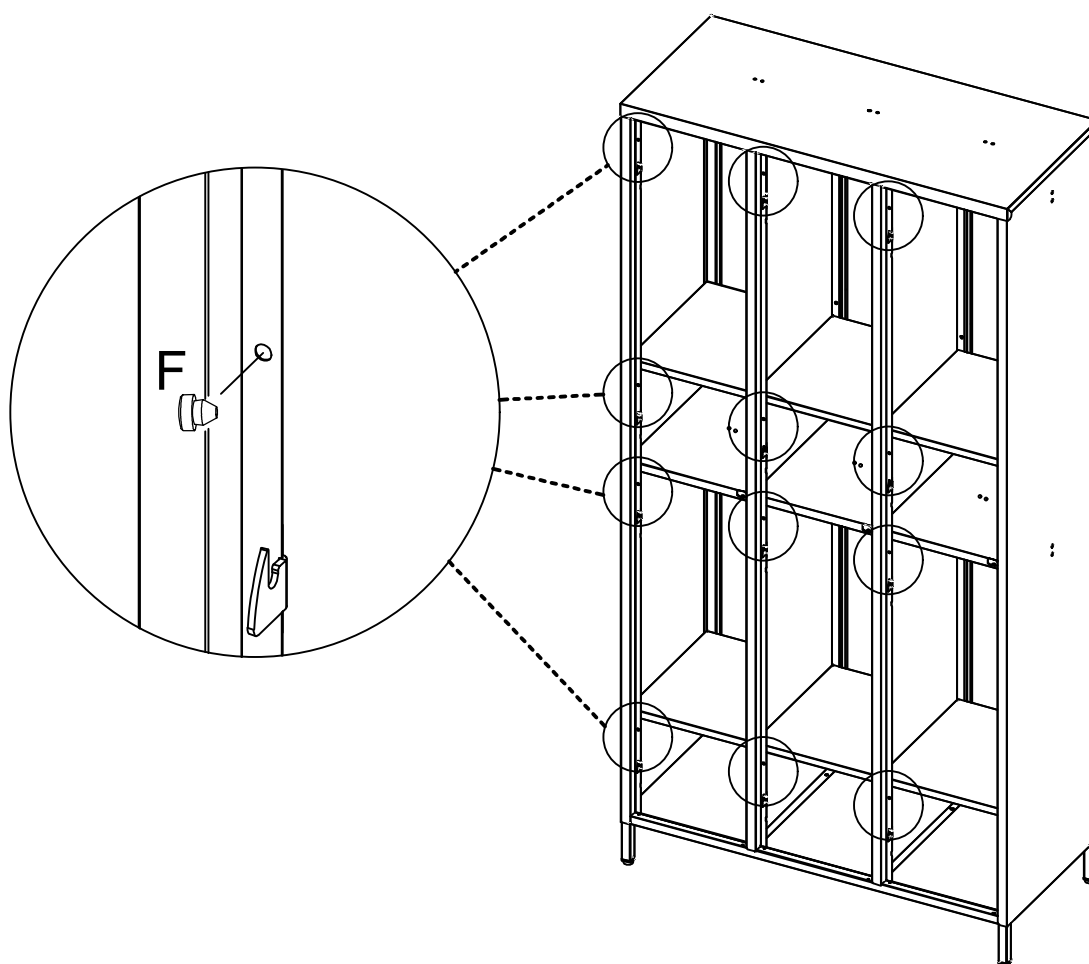

Step 18: Install parts 11 and 12

F\*12

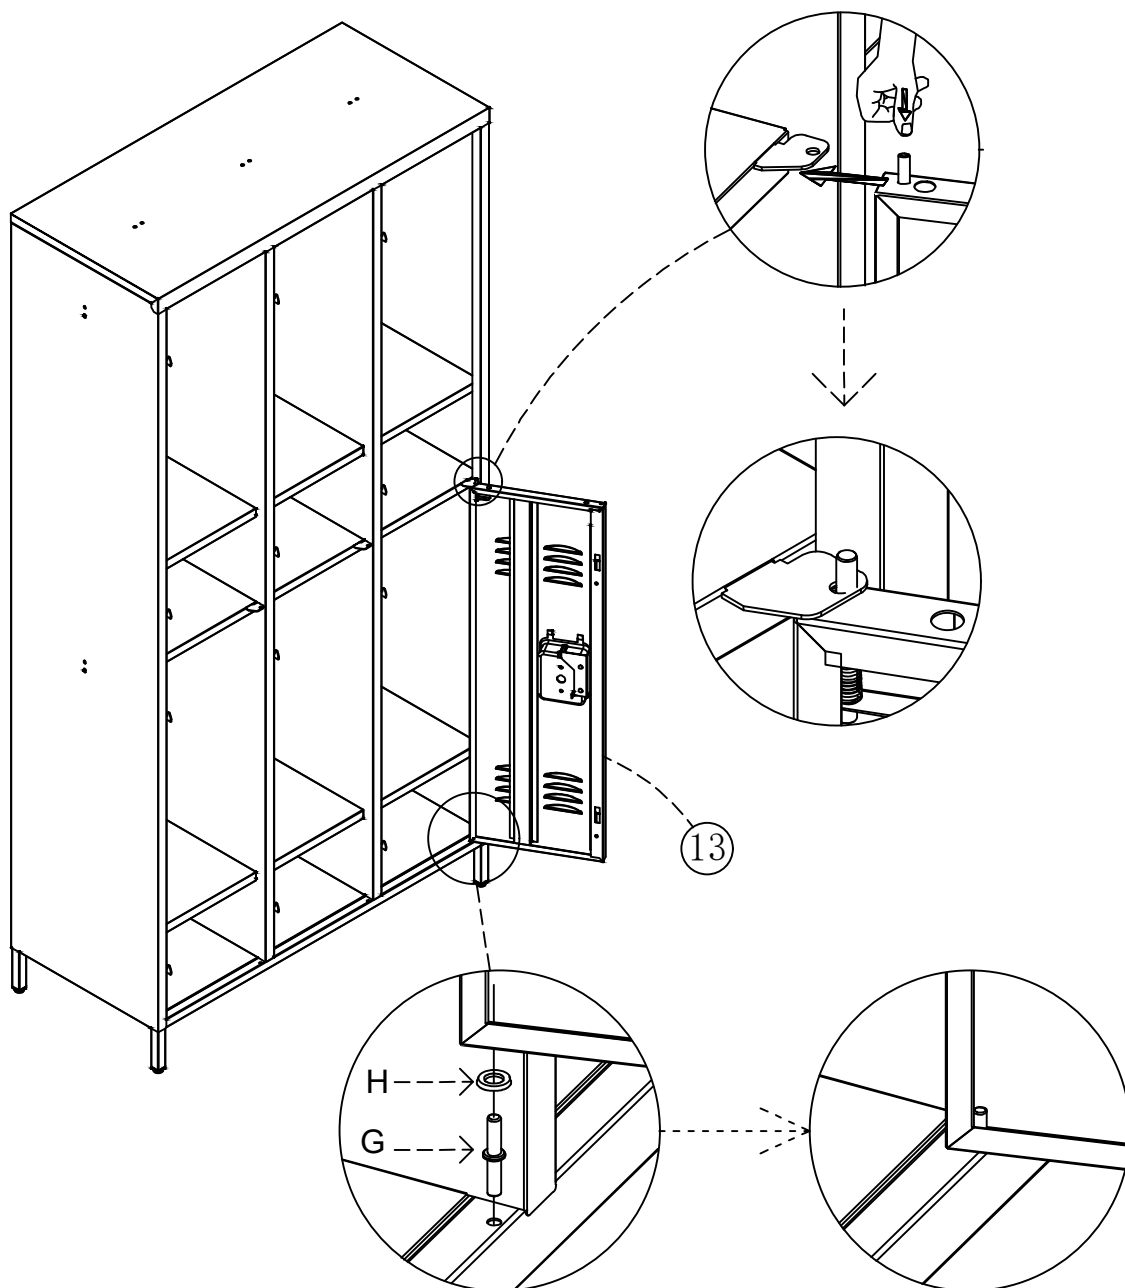

## Step 19: Install Part F

|                                                                                   |                                                                                   |                                         |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------|
| G*3                                                                               | H*6                                                                               | Step 20: Install the doors<br>(Part 13) |
|  |  |                                         |

## Step 21: Install all the doors
