Product Description: The Miller 3-Way Lounger features a spring down seat cushion and bustle back. It comes standard with a mahogany finish and #9 Natural nailhead, but other finishes and nails are available at no additional cost. It uses a pushback recline, but a power button and battery pack is available with an upcharge.

Collection Features: There is something irresistible about a plush recliner that often makes it the most desired seat in the house. After all, who doesn't enjoy the indulgence of lounging like a king or queen at the end of a long day? Emanating in luxury – and proving that comfort and sophisticated design can co-exist – our recliners guarantee long hours of relaxation without having to forgo style. With a wide variety of recliners available, it's easy to express your personal style while achieving your "royal-status." Hand-crafted with the highest quality reclining mechanisms available today for a deeply luxurious ride, all you'll have to worry about is who gets control of the remote. Make it your own with a selection of more than 135 premium leathers, over 200 fabrics and an assortment of nail head and wood finish options.

Disclaimer: Please note that the printed dimensions are approximate and could vary up to 2 inches since each style is handmade.

Finish: Standard Mahogany finish. Other finishes available at no additional cost.

Features: Pushback recline is standard
Power Button available with upcharge
Power button with battery pack available with upcharge

Padding: For quality tailoring and durability, the outsides are padded with strong bonded fibers.

Material: Leather

Trim: Standard Nailhead Trim #9 in Natural Finish. Other decorative nailhead finishes available at no additional cost.

Frame Construction: The frame is engineered from the finest multi-ply, 7/8 inch laminated hardwood components that are precision machined for an exact fit. Mortise and Tenon joints are reinforced with cross-banding to create frames with superior dimensional stability.

Seat Back: Bustle Back

Seat: Spring Down-Cushions consist of a 4 1/2 inch MARSHALL coil unit encased in premium foam. The cushion is then wrapped with a low melt fiber on top and bottom. The Spring Down cushion is then surrounded by a down-proof ticking filled with a luxurious blend of down, feathers and fibers. This cushion is designed to provide superior comfort combined with great resiliency.

Seating Construction: Motion styles utilize a rigid bar spring unit that evenly distributes the weight load offering unparalleled seating comfort for our reclining chairs.

Leather: Hundreds of leather options available.
