Appearance

The upholstery is available in a variety of colors for you to choose from, and the fabric is made of skin-friendly chenille or warm Boucle, with different combinations to meet your needs.

Structure

With storage space in the ottoman, you can keep your favorite book or other things there so they arealways within easy reach when you want to relax.

Material

The seat cushion has been upgraded with 1.5lbs./cu. ft. density foam to provide a softer sitting experience.

Design Details

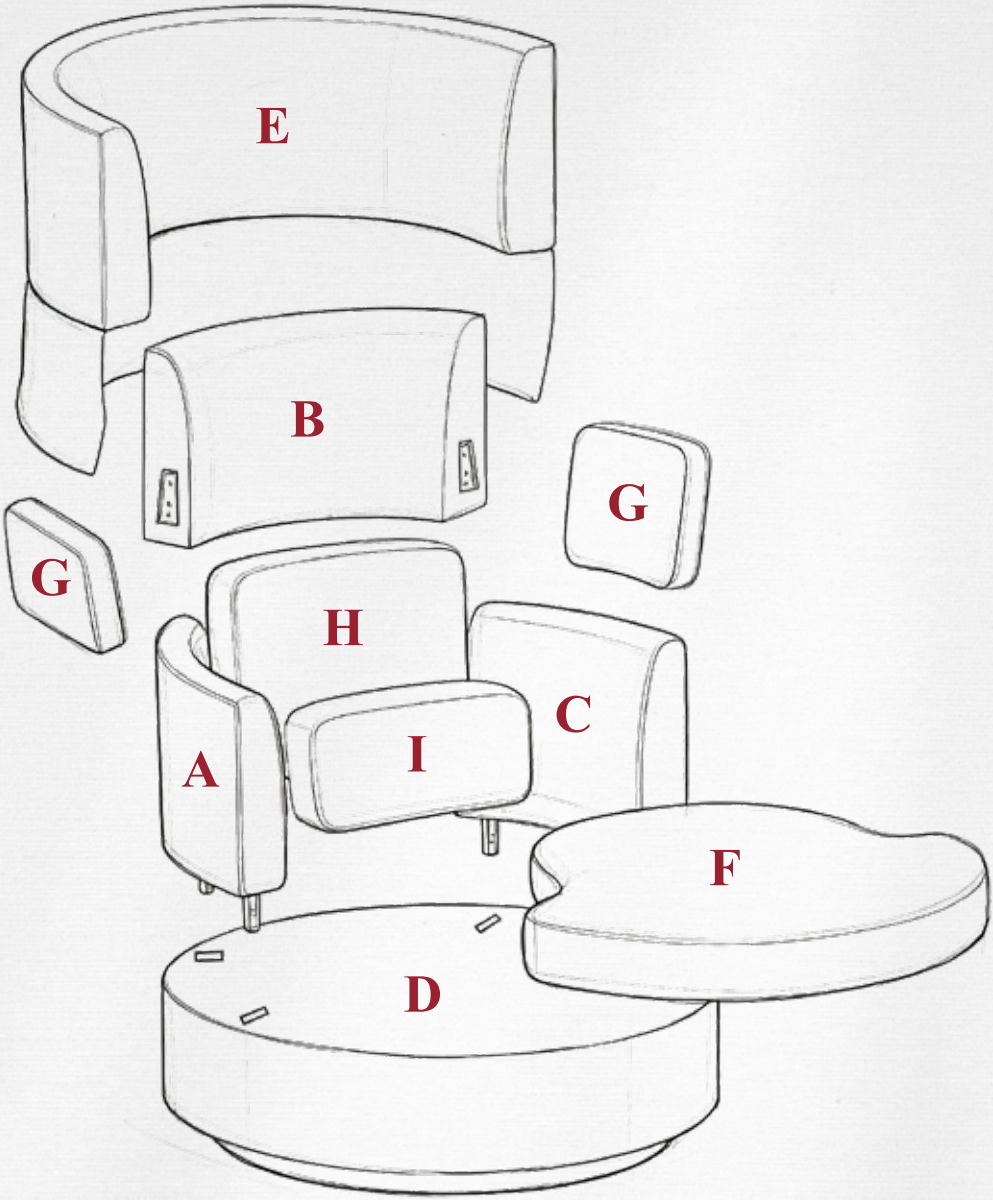

The bottom of the ottoman has four plastic feet to prevent it from sliding and scratching your floors.

Applicable Space

Assembly required, and comes with all accessories and detailed instructions. It only takes simple assembly steps to be perfectly presented in front of you.
