Installation instructions

Complete installation

Initial installation

①. Take out the other accessories inside the drum.

②. Rotate the four folded feet outward 90°, and install them vertically in the hole.

③. Place the machine on a firm, level floor. Install the drum first, then press the handles on both sides inwards to secure them.

④. Connect the power supply. The machine will start resetting after 10 seconds. Check whether the button display is correct.

Aromatherapy box installation

①. Locate the "Aromatherapy Drawer" on the back of the product, press it gently to pop it out, then remove it.

②. Place the aromatherapy box (with the protective film removed) into the "Aromatherapy Drawer".

③. Install the "Aromatherapy Drawer" and press it gently to reset.

Attention! Before installation, please carefully read the instruction manual and check the accompanying accessories.

Add cat litter

①. Unplug the power and the machine stops running.

②. Pour an appropriate amount of cat litter. (Recommendation: Use "fine-grained" cat litter)

③. The amount of cat litter poured should be between the "MIN" and "MAX" markings.

Attention! Before adding cat litter each time, please unplug the power supply, and plug it back in after adding the litter; alternatively, press the cleaning button briefly once to reset and level the litter after each addition. Recommendation: Use "fine-grained" cat litter! It is recommended that the cat litter has a length of no more than 10mm and a diameter of no more than 1.5mm.

Install bin garbage bags

①. Pull out the collection bin.

②. The garbage bag is first set to the rear two corners, and then pulled back and stuck on the front two corners, and then smooth, reset the collection bin.

Instructions for use

Operating instruction | Power on

Insert the power adapter connector into the port on the rear of the product, ensuring it is fully inserted.

Insert the plug blade end of the power adapter into the electrical outlet.

Daily maintenance

Note! Maintenance work is not within the scope of maintenance.

- A dedicated aromatherapy box should be used to ensure the deodorizing effect.
- Matching special garbage bags should be used to ensure the cleaning effect of products.

Replacement of toilet bowl and aromatherapy box

Clean the collection bin

①. Pull out the collection bin.

②. Take out the garbage bag and tighten the handle to seal it.

③. The collection bin can be washed dry with clean water, and then reset after loading a new garbage bag.

Rotating drum cleaning

①. Grasp the handle holes on both vertical semicircular plastic casings and pull them out horizontally.

②. Lift out the rotating drum.

③. Wipe the interior of the product with a damp towel.

④. Locate the screen mesh inside the rotating drum, grasp its end, pull upward to disengage from the clips, and remove.

⑤. Take out the screen.

⑥. The rotary cylinder is cleaned directly with water.

⑦. screen cleaning alone, dry after reset.

Aromatherapy box replacement

①. Power off, locate the "Aromatherapy Drawer" on the rear of the product, press it gently to eject, then remove it.

②. Remove the old aromatherapy box.

③. Place the new aromatherapy box into the "Aromatherapy Drawer".

④. Press gently to reset the "Aromatherapy Drawer".
