Notes

1. Please place the kitchen mats on dry flat surfaces, otherwise, the wet floor may lead to unexpected falling.
2. This product is made of PVC, it may have some pungent smell when you receive it, please place it in a ventilated place for two days before use. Besides, the PVC material may have slight pleats in transit, but it will automatically stretch and recover after two days.
3. Please allow the slight color difference caused by the shooting light and 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
