Installation Manual of Bed

Dear Valued Customer:

Thank you for choosing our brand and your new bed frame.

We're thrilled to have your trust, and we want to make sure you're fully satisfied with your purchase. To help you get the most out of your bed frame for years to come, we're sharing a few quick cleaning and care tips below.

When cleaning your bed frame, we recommend using a soft, slightly moist cloth. Avoid using corrosive detergents, wire brushes, abrasive scourers, or any sharp metal objects as they may damage the product.

Additionally, we recommend checking the frame's hardware regularly to make sure all screws and fasteners are tight and the frame stays stable.

Installing the bed frame is a simple process. Please refer to the detailed step-by-step instructions in the manual.

Customer satisfaction is our top priority and we are committed to providing you with the best service and high-quality products. If you have any questions or concerns regarding your bed frame, please don't hesitate to contact our customer service team via email at the address below. We are here to help you and resolve any issues you may have.

Contact: dearforestservice@outlook.com.

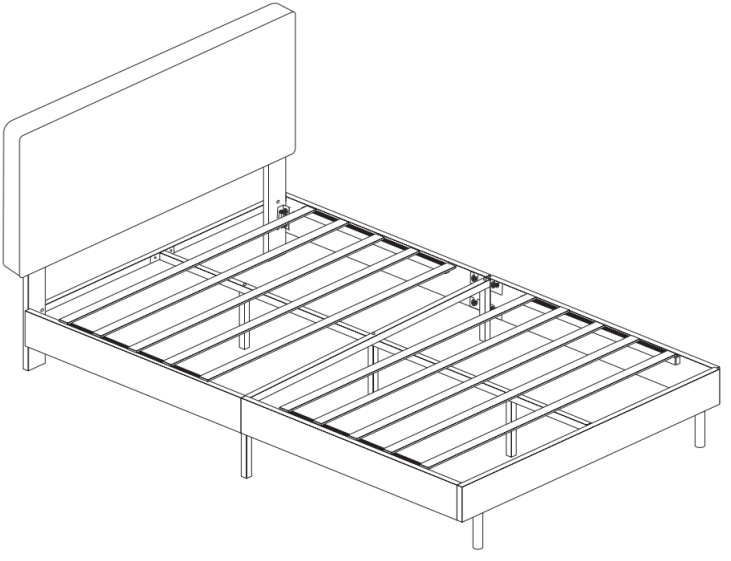

Thank you again for choosing our product. Your trust and support mean a great deal to us, and we look forward to continuing to provide you with top-quality products and excellent service.

Best Regards,

Customer Service Team

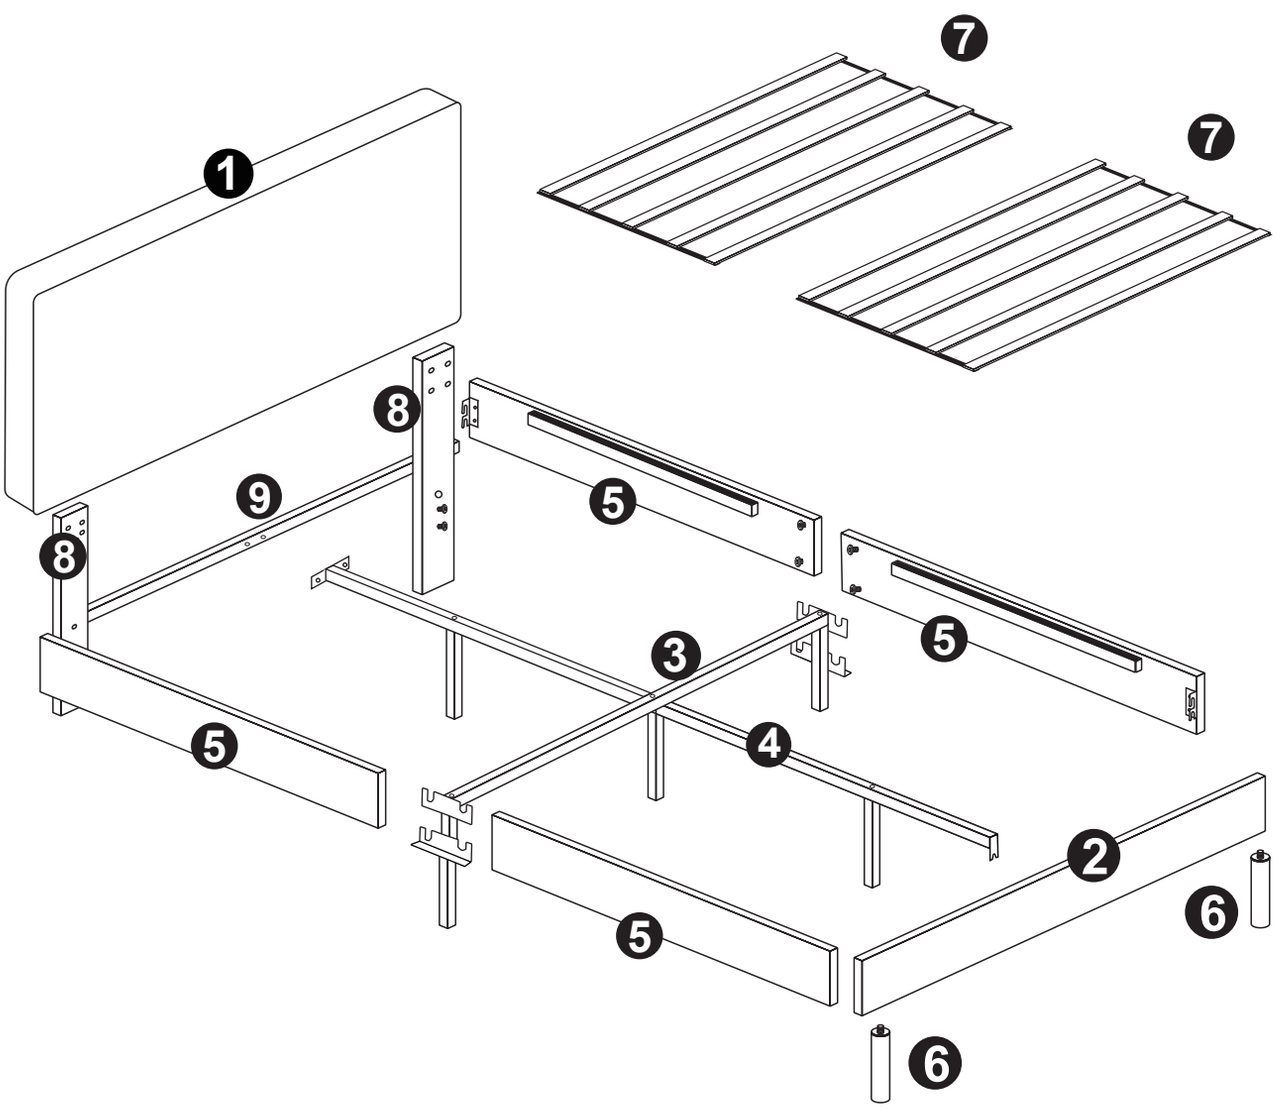

STANDARD BED

BFHD010

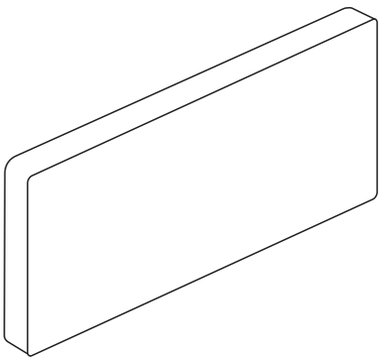

IMPORTANT NOTE

1.Please check that all parts are complete before installation.
2.Please strictly follow the installation steps to install.
3.Please install the bed on a clean and smooth surface to prevent any damage.
4.Please do not use the power tools to assemble the bed.
5.Please periodically check all the fittings and re-tighten as necessary.
6.Please do not use the bed unless all bolts and screw are firmly secured.
7.Please contact us if you need any help, we will reply you in six hours.
