

An architectural rendering of a modern skyscraper. The building features a prominent glass facade and a curved, cantilevered section on the left. The interior is visible, showing multiple floors with people and greenery. A rooftop terrace with lounge furniture and plants is visible at the base of the tower. The background shows a cityscape under a cloudy sky.

HIGOLD® | CAMBUSA COLLECTION

HIGOLD®
Love the world and life

CLAUDIO BELLINI® is a famous European design studio based in Milan, Italy, founded in 1996.

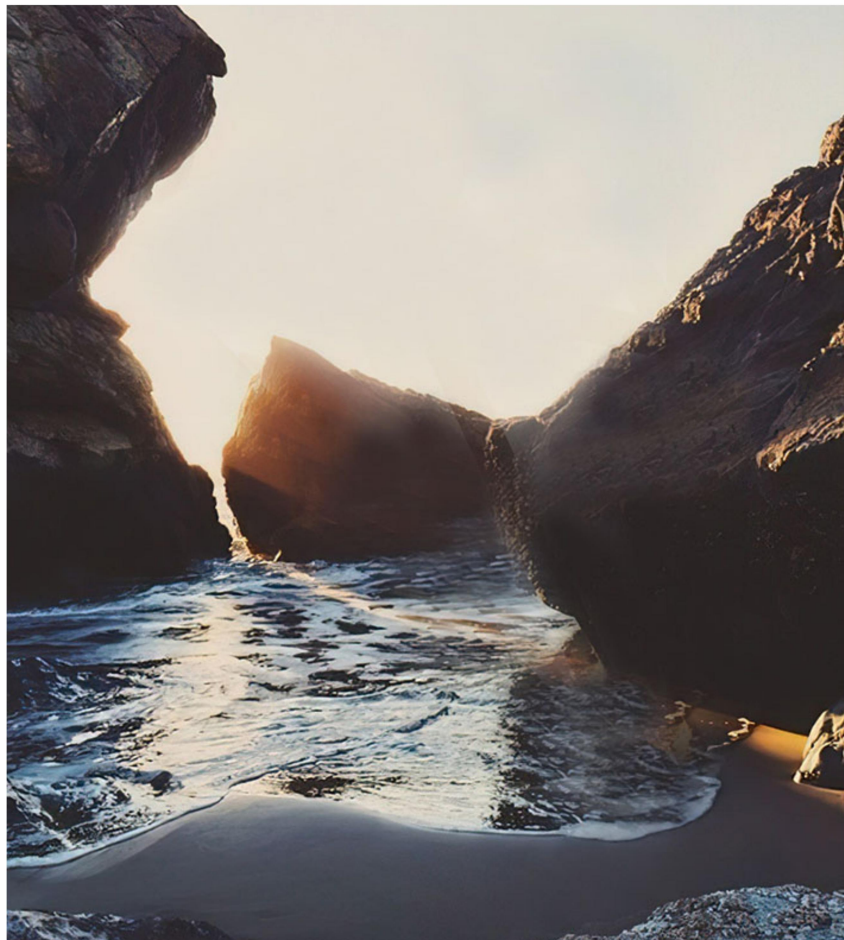

The studio are open-minded and innovative perspective, specialize in contemporary European designs.

They are chief designers for top international brands, such as RH and Natuzzi.

And now we are the exclusive strategic partner of them in China.

Their master pieces have won many international awards like Red dot, IF award.etc.

HIGOLD®
Love the world and life

Cambusa is a series of minimalist modern style combined with nature. Takes inspiration from the sea that appears golden beneath the sun-lit sky. Its square line and fine classic design expresses a spirit of fearlessness, tenacity, bravery, and comfort and freedom.
