GUIDELINE

1. Please read the manual carefully and follow the guidance.

2.When you give this product to others , please ensure the manual is included.

3.This manual is for reference only, with adjustable installation steps and unfolding angles.

4. If there are any questions or suggestions, please feel free to contact us at any time.

WARNING

1. Children are strictly prohibited to participated in the installation of the product.
There are some small parts in the package.

If swallowed or inhaled, it may cause harm to children.

2. Please keep the plastic bag away from children to avoid the risk of suffocation.

ATTENTIONS

1. This product is only a replica of a live plant, it may not be perfect.

2. Our products are suitable for indoor and outdoor use, however, we do not recommend leaving them in direct sunlight for long periods of time. Prolonged exposure to direct sunlight may accelerate the aging process of the product.

3. To ensure the longevity and optimal condition of the artificial trees, we advise finding a shaded or partially shaded area for them. This will help maintain their appearance and prevent any premature aging.

4. After the assembly is completed, please do not frequently adjust the branches and leaves to avoid loosening.

Thank you for your purchase !

Please contact us if you have difficulty with assembly or need replacement parts.

If you have doubts about the shape of the product you received, contact us for a detailed answer.
