Other Parts Required for Assembly

Application

The product is suitable for indoor and outdoor occasions, and is highly suitable for cycling activities, garages, front yards, backyards, retail shopping centers, schools, warehouses, home garages, bicycle shops, schools, and universities. It is suitable for various types of bicycles, such as road bikes, mountain bikes, hybrid bikes, and children's bikes.

Notes

1. Please check the size carefully before ordering.
2. Please note that the product does not contain bikes.
3. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
