

9-DRAWER STORAGE CHEST
AUFBEWAHRUNGSKOMMODE MIT 9 SCHUBLÄDEN
ARMOIRE DE RANGEMENT AVEC 9 TIROIRS
9-CASSETTO PORTAGGETTI
CÓMODA DE 9 CAJONES

Attention: Do not tighten the screws until you have completed the assembly.

1. Please be aware that the drawer storage towers are lightweight, so pulling them down could be dangerous, especially when children are playing and chasing each other around the drawers.

2. Professional installation is highly recommended.

Achtung: Ziehen Sie die Schrauben erst an, wenn Sie den Aufbau abgeschlossen haben.

1. Bitte beachten Sie, dass die Lagertürme mit Schubladen sehr leicht sind, so dass sie einfach heruntergezogen werden können, wodurch Gefahren verursacht werden, insbesondere wenn Kinder damit spielen und sich herumjagen.

2. Ein fachgerechter Einbau wird dringend empfohlen.

Remarque: Ne serrez pas les vis avant d'avoir terminé l'assemblage.

1. Veuillez noter que les tours de rangement des tiroirs sont légères, il peut donc être dangereux de les abaisser, surtout lorsque les enfants jouent et se poursuivent autour des tiroirs.

2. Une installation professionnelle est fortement recommandée.

Attenzione: Non serrare le viti fino a quando non si è completato il montaggio dell'installazione.

1. Tenere presente che le torri di stoccaggio dei cassetti sono leggere, quindi tirarle verso il basso potrebbe essere pericoloso, specialmente quando i bambini giocano e si rincorrono intorno ai cassetti.

2. Si consiglia vivamente un'installazione professionale.

Atención: No apriete los tornillos hasta que haya completado el montaje de la configuración.

1. Tenga en cuenta que las torres de cajones son ligeras, por lo que puede ser peligroso bajarlas, especialmente cuando los niños juegan y persiguen alrededor de los cajones.

2. Se recomienda encarecidamente la instalación profesional.

Attention: Confirm the direction Part F should be facing during assembly.

As shown in below picture, Part F has two sides with mounting holes

- the side with a small mounting hole in the center and two bigger adjacent holes should be facing upward.

Achtung: Bestätigen Sie die Richtung, in die das Teil F während der Montage zeigen soll. Wie in der Abbildung unten dargestellt, ist das Teil F auf zwei Seiten mit Befestigungslöchern versehen. Bei der Seite mit einem kleinen Befestigungsloch in der Mitte sollten die zwei daneben liegenden größeren Löcher nach oben zeigen.

Attention: Confirmez la direction dans laquelle la Partie F doit être tournée pendant l'assemblage. Comme indiquée la figure ci-dessous, la Partie F a deux côtés avec des trous de montage - le côté avec un petit trou de montage au centre et deux grands trous adjacents doit être orienté vers le haut.

Attenzione: verificare la direzione in cui deve essere rivolta la parte F durante il montaggio. Come mostrato nell'immagine sottostante, la parte F ha due lati con fori di montaggio: il lato con un piccolo foro di montaggio al centro e due fori adiacenti più grandi devono essere rivolti verso l'alto.

Nota: confirme la dirección en la que la pieza F debe estar orientada durante el montaje. Como se muestra a continuación, la pieza F tiene agujeros de montaje en ambos lados - un lado con un pequeño agujero de montaje en el centro y dos agujeros adyacentes más grandes deben estar orientados hacia arriba.
