Eloquent Thoughts IV is part of a series of six works that hark back to the Abstract Expressionist movement that emerged in the mid-20th century. These works are characterized by bold, gestural marks that express action.

A vibrant composition, Eloquent Thoughts 4 offers overlapping patterns and hues that give it a strong presence. Sky blue dominates the color palette and is complemented by a swathe of ash grey and a vivid pop of burnt orange in this original work of art is shown on textured paper and is part of the exclusive ART by TA Collection.
