

ASSEMBLY INSTRUCTION

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 4 – Cand.Bulb
 40 Watts Recommended 60 Watts Max
 USE LED BULBS FOR EXTENDED USE

THIS FIXTURE IS WET RATED

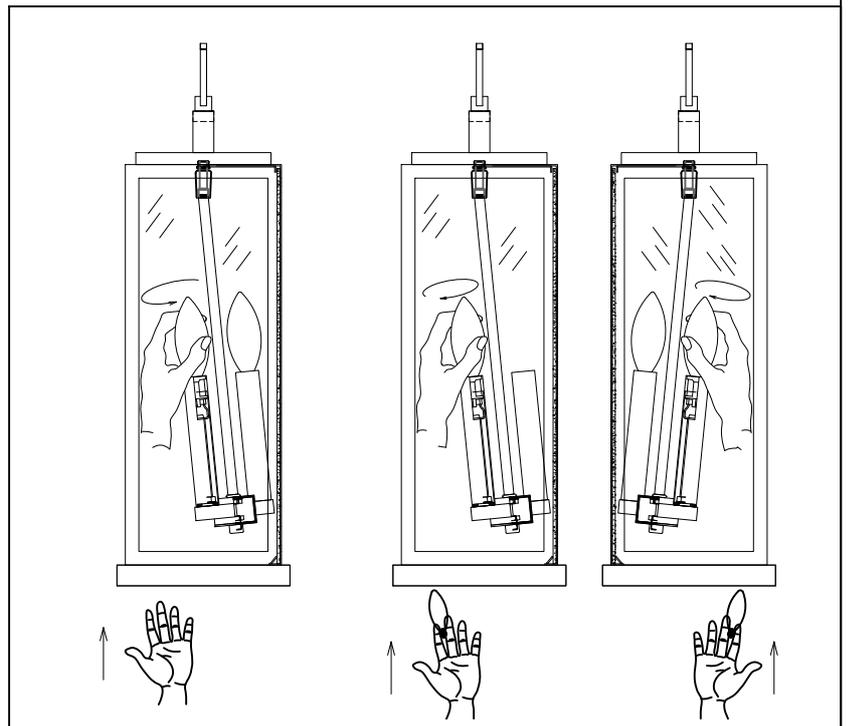

How to Install

1. Place the candle sleeve over the socket. Install the bulb onto the socket.
2. Install the glass panels onto the frame and secure with the clips.
3. Install the mounting bar onto the outlet box using two outlet box screws.
4. Decide the preferred hanging height and choose the correct length of chain needed.
5. Raise the frame up to the ceiling and do the wire connections. Place the canopy over the mounting bar and secure with the collar loop ring.

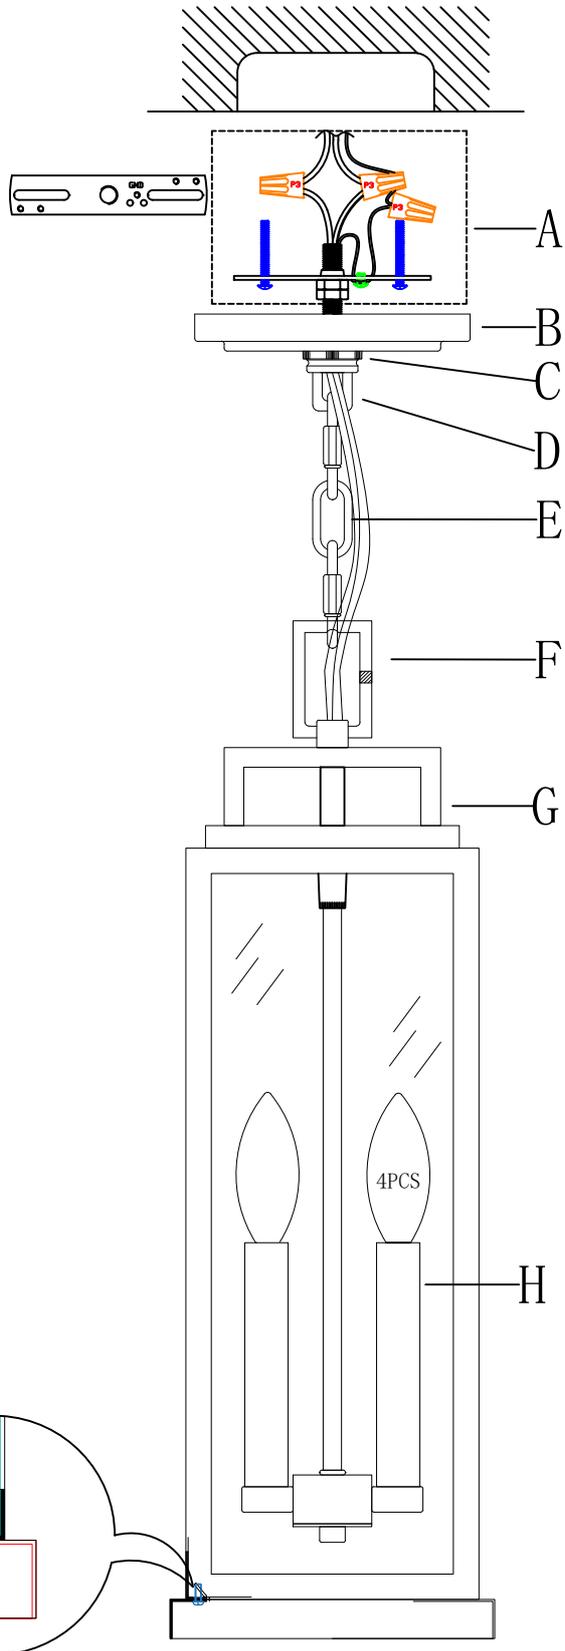

How to replace the bulb:

Push the light cluster to the side and insert the hands from the bottom opening of the frame to remove the bulb from the socket. Install the new bulb onto the socket and put the light cluster back in place
