Set Up

## IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

### INFORMATION

- This product is designed to hold 30Kg spread evenly over the whole unit.
- Do not exceed this weight.
- We recommend that this unit is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent any accidental scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly
- Tools not included unless specified in parts list.

### WARNINGS

- This product should only be used on a firm and level floor.
- Keep small parts out of reach of children.
- Make sure the legs remain in contact with the floor.
- DO NOT use power tools to construct this product.
- DO NOT tighten screws until all parts are assembled or as advised in this guide.
- DO NOT over-tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT sit or stand on the product.
- It is essential that this unit is fixed to a wall with the fixings provided.
- We recommend the use of the wall fixing provided for safety reasons. N.B. if in doubt pls consult a qualified tradesperson. **Warning:** Always ensure the area to be drilled is free from hidden electrical wires, water and gas pipes
- DO NOT place hot or Warm objects on the surface as these may damage the Product . Always use a suitable heat resistant mat.

### CARE INFORMATION

- Never use scourers, abrasives or chemical cleaners.
  - To clean, wipe with a damp sponge and warm soapy water.
- Do not use solvent based cleaners or detergents as they can bleach or damage the product.

## Parts and Fittings Checklist

Please check the pack contents before assembling the product. If any components are missing, please contact your retailer.

The fittings pack contains small items that should be kept away from children.
