Corner Sit Stand Desk Converter

Alternating your position between sitting and standing while working on your computer or laptop has been proven to have a positive impact on your overall health and productivity. This sturdy standing desk converter is specifically designed for use in corners and transforms your traditional desk or table into an active workstation. The integrated gas spring mechanism allows you to adjust the height of the desktop effortlessly between 6.5" and 16.5" and the 43" wide desktop provides ample space for your laptop or monitor.

- Effortless gas spring height adjustment (8 pre-set levels)
- Dual platform design for laptop/monitor and keyboard/mouse
- Bonus device slot for smartphone or tablet
