# 6-Light Glass Cluster Bubble Chandelier

**Caution:** Please turn off power before installation and read the manual carefully, we advise you contact professional electricians to install for safety purpose.

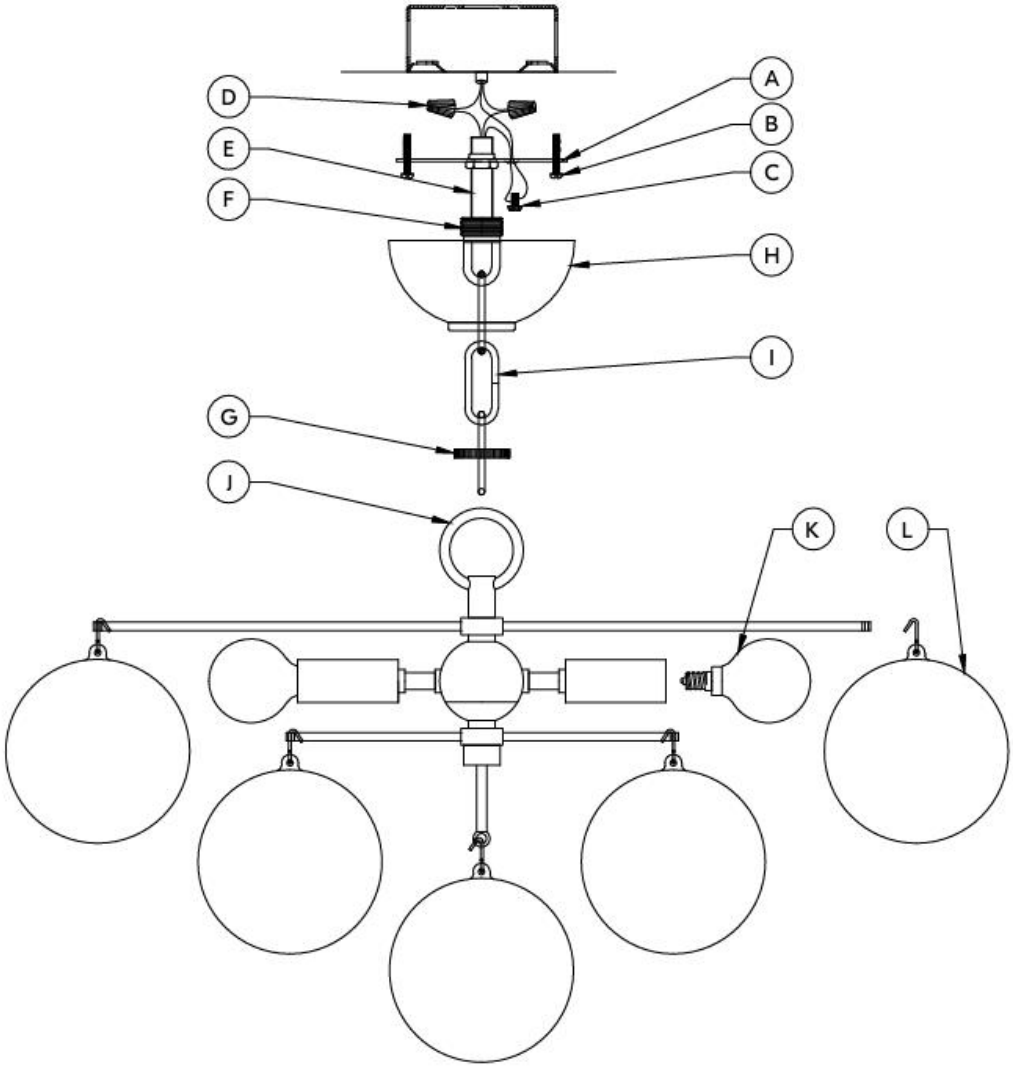
**Product Features**

Style: Modern/Contemporary
Material: Metal, Glass
Color: Gold

Base Type: E12
Light Source Included: NO
Voltage: 120VAC
Wattage: 60W

**Package includes**

1 x Chandelier Light
1 x Accessories Kit
1 x User's Manual



**Installation Instructions**

1. Attach the mounting plate (A) onto the junction box using the mounting screws (B).
2. Unscrew the bottom quick link of the chain (I) and attach it to the fixture body (J). Hang the fixture body (J) on the chain (I) at your desired height, and remove excess chain (I).
3. Thread the fixture wire through the chain (I), the collar ring (G), canopy (H), collar loop (F), mounting bolt (E), and mounting plate (A), and screw the mounting bolt (E) onto the mounting plate (A).
4. Unscrew the top quick link of the chain (I), and hang the fixture body (J) to the collar loop (F).
5. Connect the fixture wires and the wires reserved on the junction box with wire nuts (D) respectively, then wrap them with electrical tape to avoid electrical leakage. Secure the ground wire of the fixture and junction box to the mounting plate (A) with a green screw (C) to ensure proper grounding.
6. Attach the canopy (H) to the mounting plate (A), secure the collar ring (G) to firmly secure the canopy (H) in place.
7. Assemble the bulbs (K) (not included) into the lamp socket of the fixture.
8. Hang the glass globes (L) on the fixture body (J).

**Note:** please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
