Assembly Overview

BJ003 | 40CM / 15.7inch

Parts List

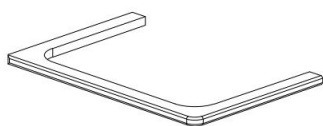

BJ003 | 40CM / 15.7inch

1 Left frame

581.5 × 390 × 20MM

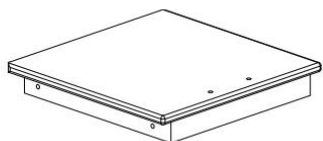

Quantity: 1

2 Right side frame

581.5 × 390 × 20MM

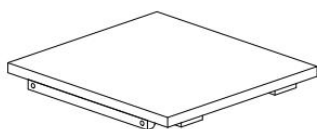

Quantity: 1

3 Inner box assembly

400 × 400 × 57MM

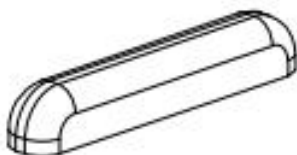

Quantity: 1

4 Bottom plate

350 × 375 × 34MM

Quantity: 1

5 Panel stop

120 × 20 × 20MM

Quantity: 1

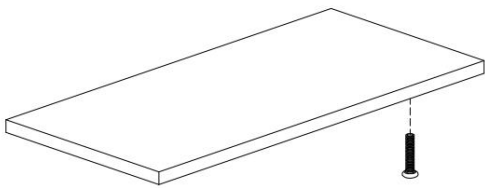

Before Use

BJ003 | 40CM / 15.7inch

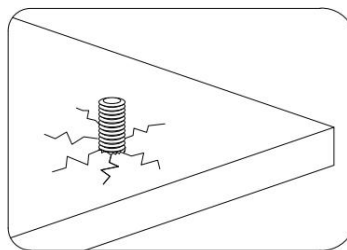

1. Unpack on a soft surface and retain the packaging.
2. Count and inspect all parts for cracks or warping.
3. If there is a problem, contact the seller through the order page.
Provide BJ003, the part code, quantity, order ID, and a photo.
Response time: 24 hours or less. Replacement only.
4. New-product odor is normal. Ventilate for 24 hours.

Use the Correct Screws

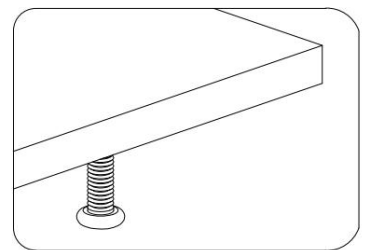

Using the proper screws helps prevent damage to the components.

Example

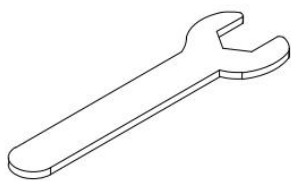

Incorrect size: wood may split.

Correct screw size

Hardware & Tools

BJ003 | 40CM / 15.7inch

A Open-end wrench

Opening: 14MM

Quantity: 1

Reusable tool

B Swivel casters with brakes

Ø25MM; total height 43MM

Quantity: 2

C Hex socket screws

M6 × 25MM

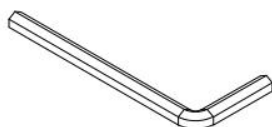

Quantity: 8

D Flat washers

M6 × 13MM

Quantity: 8

E Hex key

M4 × 100 × 40MM

Quantity: 1

Reusable tool

F Swivel casters without brakes

Ø25MM; total height 43MM

Quantity: 2

Step 1

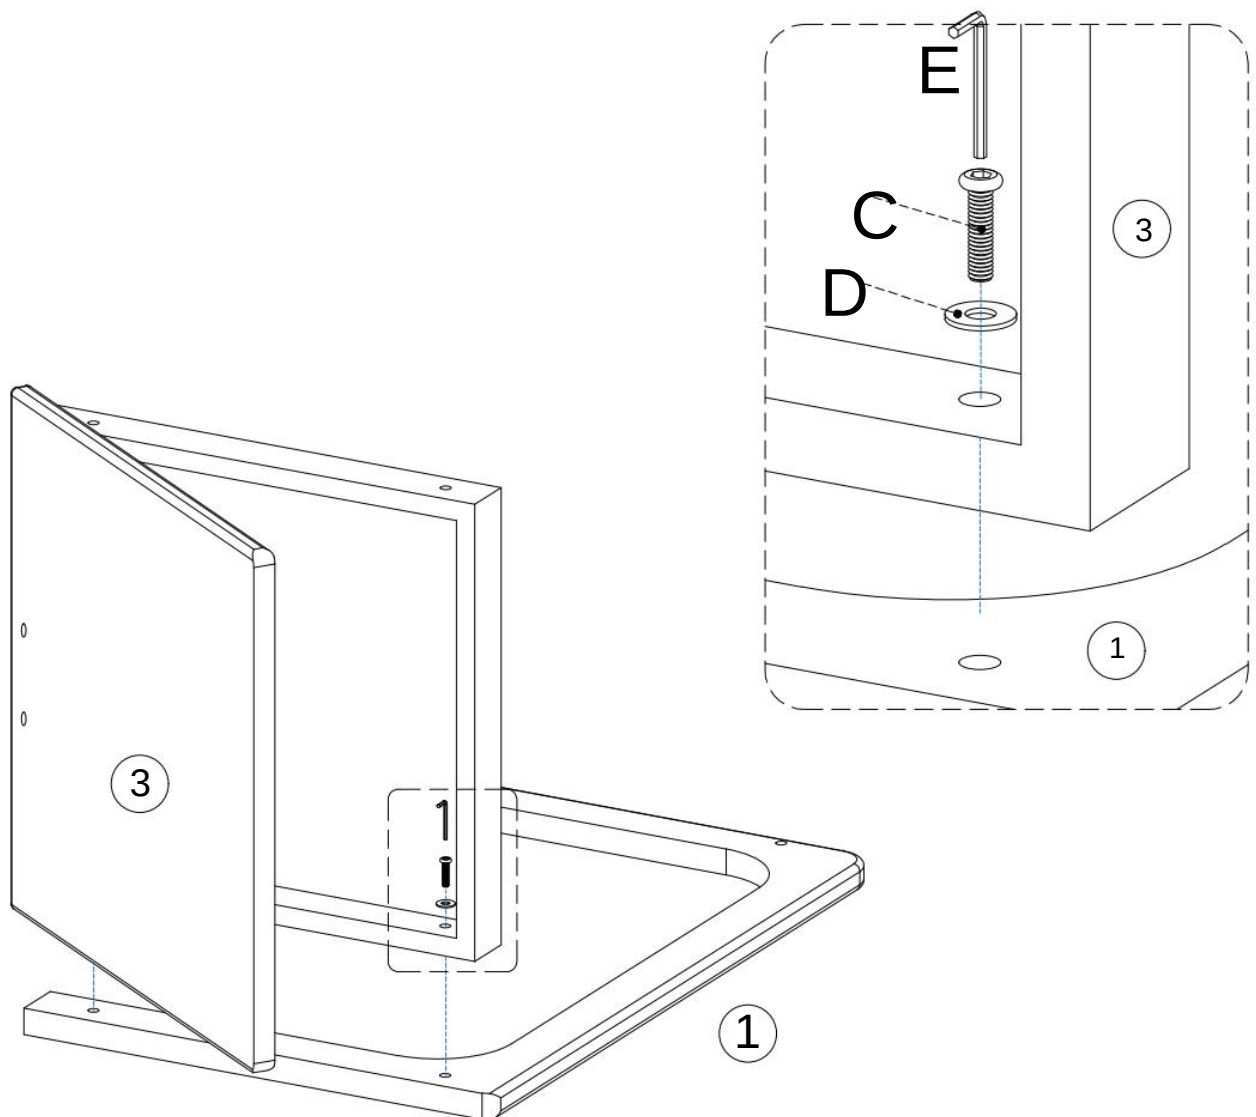

BJ003 | 40CM / 15.7inch

After unpacking, check that the parts and quantities match the lists.

Align Part 3 with the holes on the end face of Part 1.

Fasten with screws C and washers D using Tool E, as shown.

Hardware: C × 2 D × 2 Tool: E (reuse)

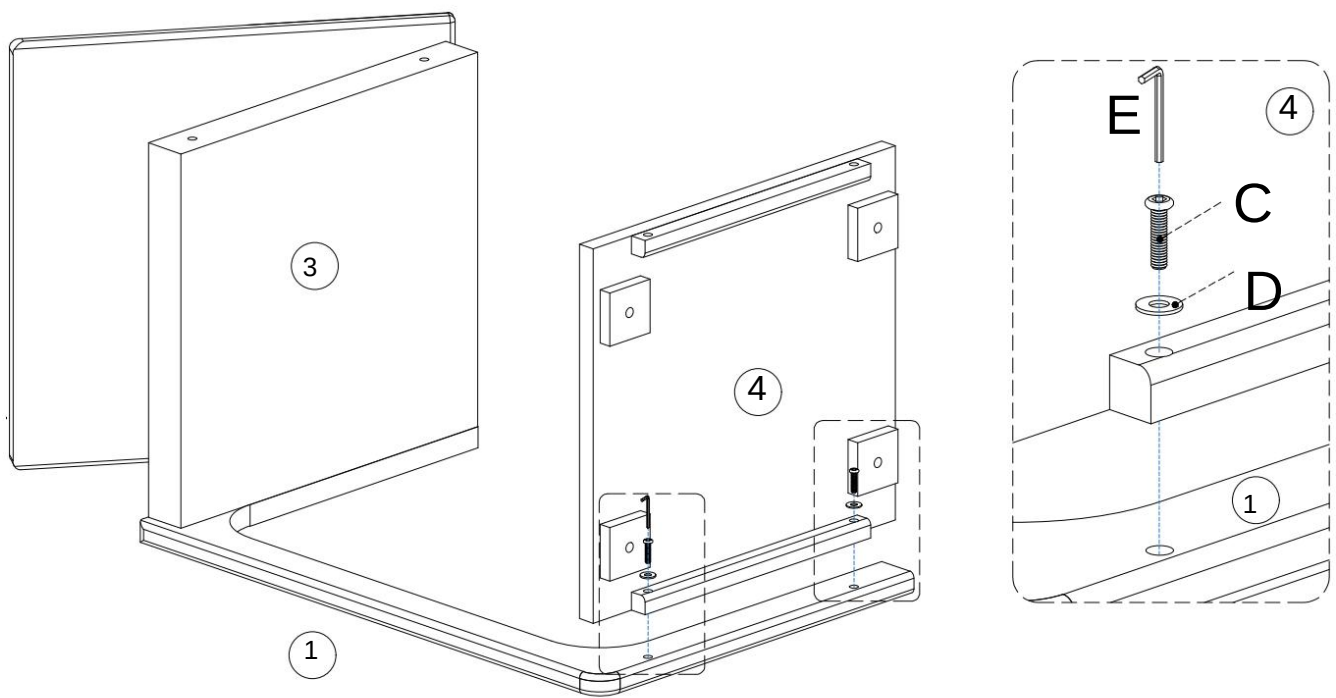

Step 2

BJ003 | 40CM / 15.7inch

Attach Part 4 to the assembly from Step 1 using C/D and Tool E.

Hardware: C × 2 D × 2 Tool: E (reuse)

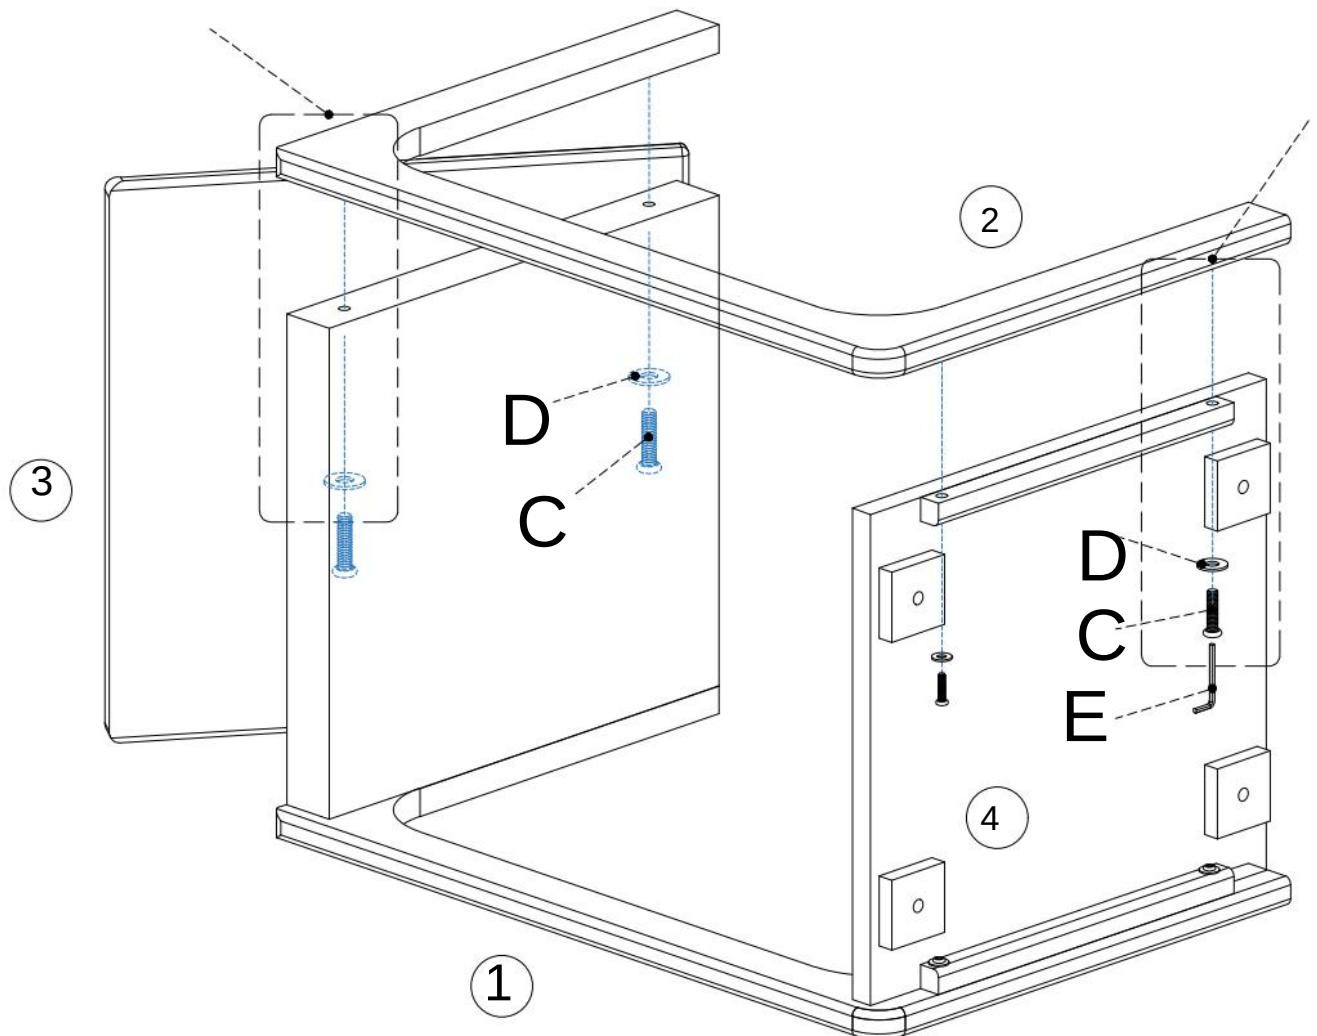

Step 3

BJ003 | 40CM / 15.7inch

Attach Part 2 to Parts 3 and 4 in the assembly from Step 2, using the same method as Steps 1 and 2.

Align all holes in Parts 2, 3, and 4 before fastening.

Hardware: C × 4 D × 4 Tool: E (reuse)

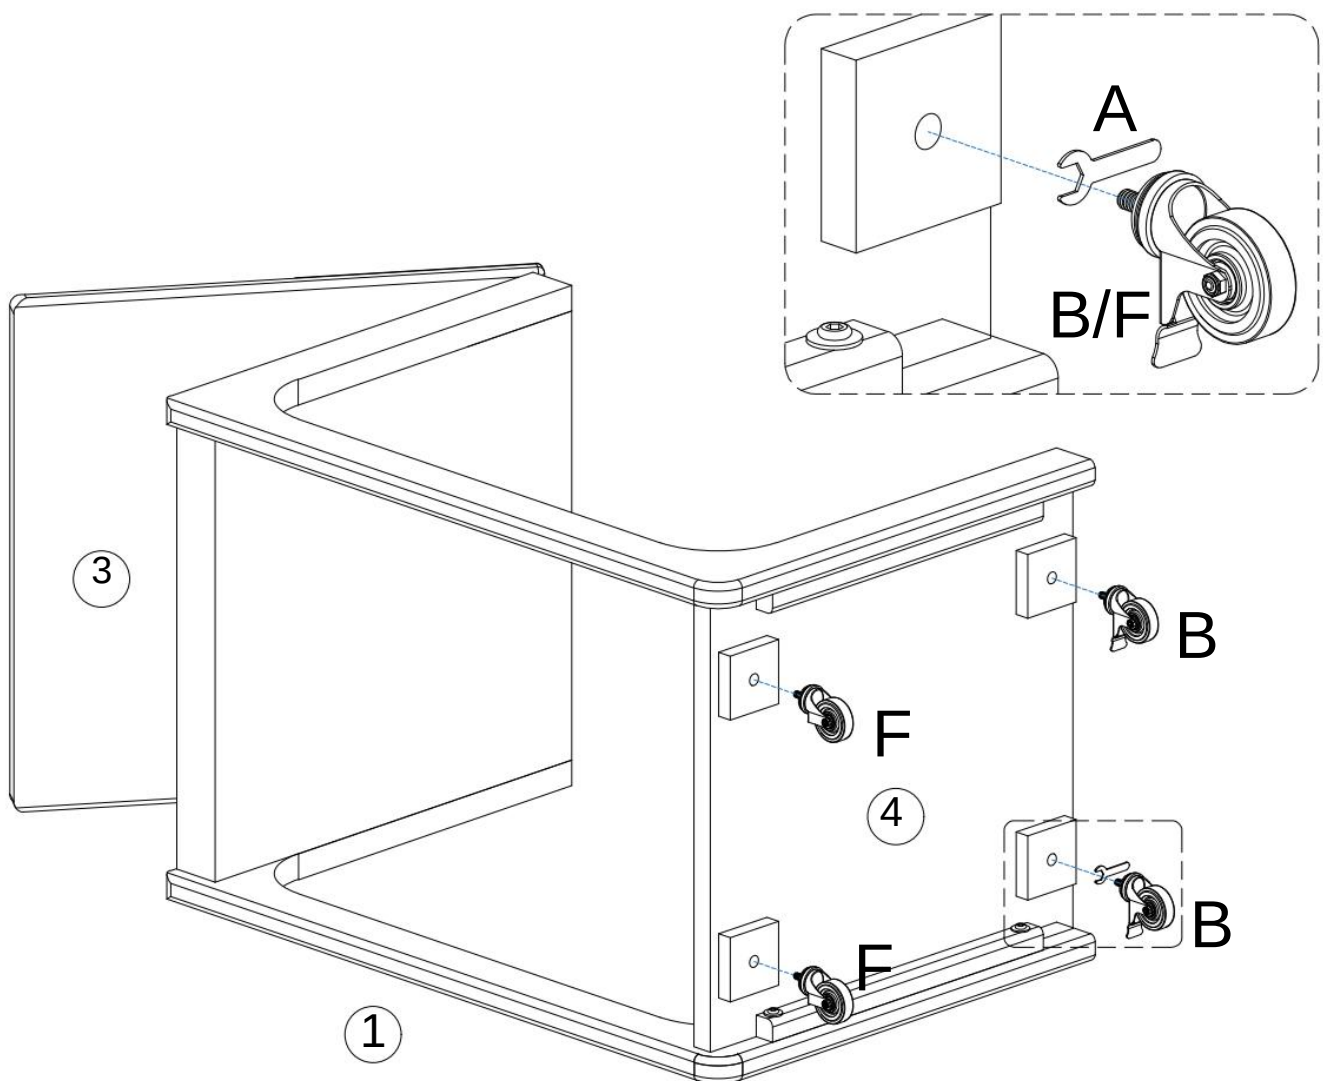

Step 4

BJ003 | 40CM / 15.7inch

Use Tool A to turn casters B/F clockwise into the bottom of Part 4.

Position the casters as shown.

Hardware: B × 2 F × 2 Tool: A (reuse)

Step 5

BJ003 | 40CM / 15.7inch

Install Part 5 on the panel, as shown. Assembly is complete.

Press the caster switch as shown to control caster movement.
