# PRODUCT DESCRIPTION

# VARIOUS SOFA MODULES

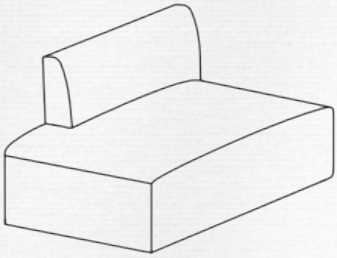

This product is entirely crafted from high-resilience sponge and vacuum-compressed for packaging. After opening the packaging, allow it to rest undisturbed for 72 hours until its shape and support strength are fully restored before use.
The product delivers an exceptional user experience. During use, temporary deformation may occur, but this poses no safety risks or structural damage. The sofa will naturally regain its original form after use-this is an inherent characteristic of the product, not a defect.
For modular configurations, simply arrange the units tightly together in your preferred layout to achieve personalized combinations.
