

Quinn IV Quinn Curio Cabinet 680681

Show off your collectibles with the Quinn IV curio cabinet. Its aged linen finish is wire-brushed for an antique appearance, and it can be displayed on its own or in multiples to create bunching cabinets.

Durable Construction: This curio cabinet has select hardwood construction and veneers, so it's durable and elegant. The wire-brushed aged linen finish resembles reclaimed wood and complements any décor, while the glass front doors and glass mirrored back provide a clear view of your favorite objects.

Versatile Storage Options: Display this lighted curio cabinet alone or in groups to create bunching cabinets. Inside are four adjustable glass shelves, which lock into place with Pad-Lock™ metal shelf clips. The shelves have plate grooves, so you can safely display collectible plates.

Interior Lighting: This glass display cabinet is equipped with interior light for a museum-worthy display. On the back of the cabinet is a No-Reach™ roller light switch for convenient on and off.

Stable on Any Floor: Underneath each corner of this curio cabinet are adjustable levelers, which provide stability on uneven floors and carpets.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
