

Assembly Instructions for **Model 1045546**

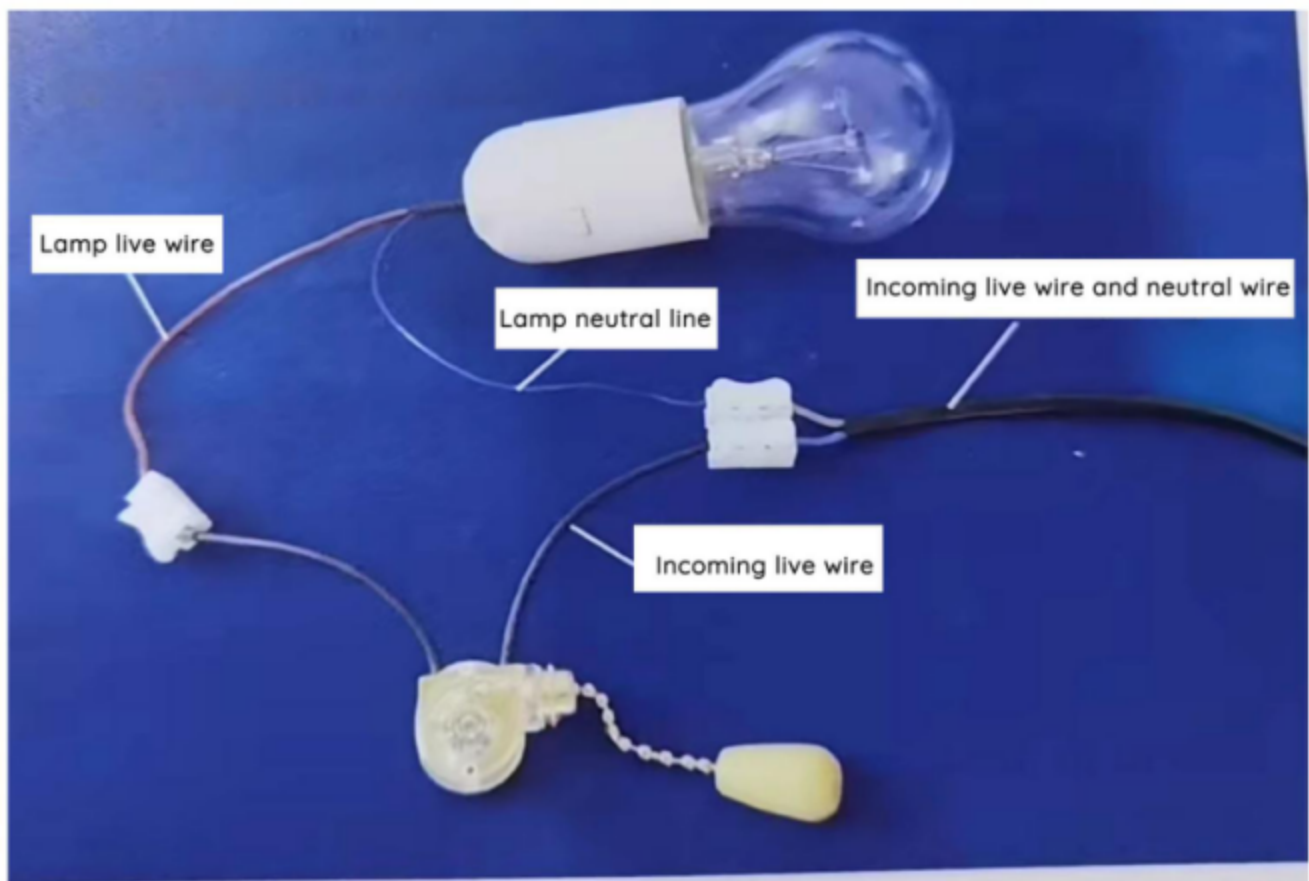

STEP 1

Drill holes and insert expansion screws into the holes. Then fix the hanging board to the expansion screws with self-tapping screws.

STEP 2

Connect to power. Note that the red wire is the live wire.

Simple and easy to understand wiring diagram

STEP 3

Lock chassis screws or copper parts. Then insert your bulb (Not included) to the bulb base.

Your fixture is now assembled and ready to use.
