

One-Post Installation

Step 1:
Position and mount wall plate to wall, using screws, drywall anchors or ceramic anchors, depending on wall composition.

Step 2:
Loosen the set screw in the accessory.

Step 3:
Mount accessory onto the secured wall plate.

Step 4:
Tighten set screw and secure accessory to the wall plate.

KOHLER® accessories make it easy for even the most casual DIY-er to update the beauty and function of their bathroom space.
