Please keep for future reference

Important – Please read these instructions fully before starting assembly

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all parts and hardware using the list below.
- Remove all parts from bags and group by type.
- Keep children and pets away – small parts may cause choking.
- Assemble on a soft, level surface to avoid damaging the chair or your floor.
- Do not stand or put weight on the product during assembly.
- Assemble as close as possible to the final position.
- Two people are recommended for easier assembly.
- Do not fully tighten any bolts until the entire assembly is complete.

- If using a power drill, set to low torque to avoid damage.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Check screws and bolts every 3 months – retighten if loose.
- Keep away from direct sunlight and high humidity.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts
- Regularly check and ensure That all bolts and fittings are tightend properly.
