Duopress Steamer & Iron

Retro Edition Duopress Steamer + Iron

The SALAV IS-900 Retro Edition Duopress Steamer and Iron is a compact but powerful device that delivers strong 1000-watts of steam for effortless ironing. The ceramic-coated steam and ironing plate has excellent heat conduction, with a retro design that fits any laundry room. The dual heating technology combines the wrinkle release power of a garment steamer with the pressing power of a ceramic coated ironing plate. Reaching temperatures of over 300 degrees Fahrenheit the IS-900 will press and straighten even the toughest wrinkles.
