Floor Lamp

[Instruction Manual]

Please pay attention to the warning signs
Read the instructions with caution before operating
and keep it properly

V40402

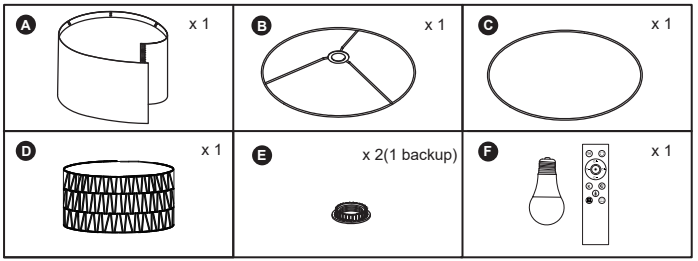

CAUTION

1. Before assembly, place all parts on a clean flat surface and check each part for defects that may occur during shipping.
2. Inspect wire insulation for any cuts, abrasions or exposed copper that may have resulted from shipping. If there are any defects in the wire, DO NOT continue assembling. Please send an email to our Customer Service immediately.
3. Consult a qualified electrician if you have any electrical questions.
4. Never drape clothes over the lamp.
5. To reduce the possibility of tipping over, we recommend placing the lamp behind furniture and keep children and pets away.
6. To prevent children from suffocating and choking, keep them away from packing materials.
7. Please keep this manual and hand it over when you transfer the product.

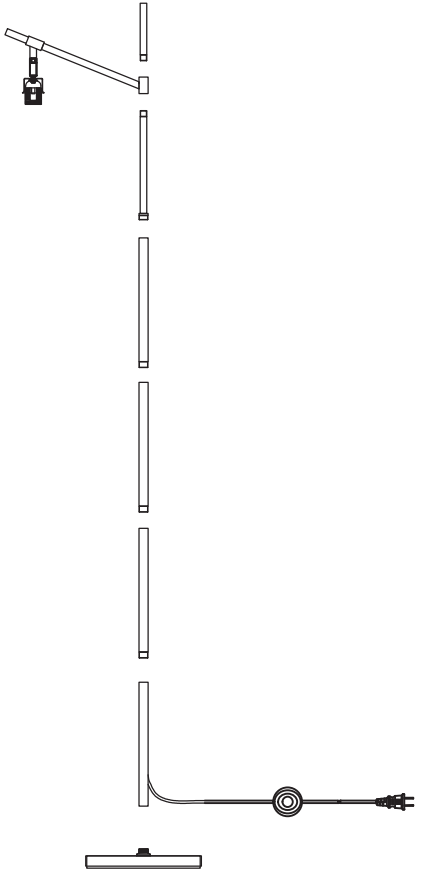

IMPORTANT SAFETY INSTRUCTIONS

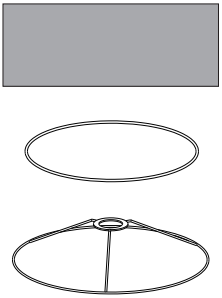

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.
