

Heloise Barstool

112662

Every detail that makes up the handsome Heloise Barstool is designed with purpose. Ivanhoe pine faux leather upholstery and rope detailing is paired with powder-coated gold stainless steel for optimal style and comfort. Visible stitching on the seat and backrest accentuates the chair's smooth contours. This elegant barstool will perfectly complement any dining space. Handle With Care: This design has been crafted with faux leather. Faux leather is manufactured to reflect the natural characteristics of leather; as such, colour variations, markings, wrinkles, grooves, and light scratches are appreciated characteristics. No two pieces will be alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
