Plane of Existence 1

D2797S55933-4742

Plane of Existence 1 is a magnificent work of art on canvas. Displaying a mastery of composition, technique, and color theory, a figure-ground perspective is expertly established, allowing the viewer an appreciation of the separation of foreground and background. In the distance, a light grey sky is broken up by a darker palette of iron, ash, and grey. Along the horizon, a sharp slate adds a sense of depth and dimension. Abstract and textural, Plane of Existence 1 is a masterful composition on canvas. Part of the carefully curated ART by TA collection.
