First, fasten the screw to the product panel through the round hole of the fitting. Next, drill a hole in the wall and insert the fitting into the hole. Finally, pass the long screw through the round hole of the fitting and screw it into the expansion tube.

Zuerst befestigen Sie die Schraube durch das runde Loch des Befestigungsteils an der Geräteverkleidung. Dann bohren Sie ein Loch in die Wand und stecken das Befestigungsteil in das Loch. Zum Schluss führen Sie die lange Schraube durch das runde Loch des Befestigungsteils und schrauben sie in das Dübelrohr ein.

Tout d'abord, fixez la vis sur le panneau du produit à travers le trou rond de la pièce accessoire. Ensuite, percez un trou dans le mur et insérez la pièce accessoire dans le trou. Enfin, passez la longue vis à travers le trou rond de la pièce accessoire et vissez-la dans le tube expansible.

Innanzitutto, fissare la vite sul pannello del prodotto attraverso il foro rotondo dell'accessorio. Successivamente, praticare un foro nel muro e inserire l'accessorio nel foro. Infine, far passare la vite lunga attraverso il foro rotondo dell'accessorio e avvitarela nel tubo di espansione.

En primer lugar, fije el tornillo al panel del producto a través del orificio redondo del accesorio. A continuación, perfora un agujero en la pared e inserte el accesorio en el agujero. Por último, pase el tornillo largo por el orificio redondo del accesorio y enróscalo en el tubo expensor.

Pay attention to the direction of the pipe during installation; the pipe material has left and right sides.

Insert parts 9 and 10 into the corresponding holes of part 7, as shown in the diagram. Once inserted, arrange parts 9 and 10 neatly, then place part 8 as shown. Starting from one side, slowly insert parts 9 and 10 into the holes of part 8. Make sure parts 9 and 10 don't come out during installation. After they are fully inserted, push parts 7 and 8 inward at the same time following the arrows, so parts 9 and 10 are completely inside the holes, then just tighten the screws on both sides.
