FUTURE REFERENCE.**

PARTS LIST

B1 : M6 x 40mm screws x 8 pc

B2 : M5 x 40mm screws x 2 pc

C : M5 x 20mm screws x 6 pc

A : Bracket x 2 pc

Locate wood studs in wall, then determine distance between brackets according to workbench size. Attach bracket onto the wall using provided screws (B2, B1) through the large hole (see Image 1) and make sure the bracket is vertical to the ground. Unfold the bracket and make sure it is locked (see Image 2 & Image 3), then screw in the rest screw (B1).

Use screws (B1,B2) to repeat the same steps to install the other bracket. Use a level to make sure brackets are even.

Image 3

Use screw (C) to fasten the bracket to table top.

When not in use, gently press the handle on bracket, to allow the table to fold down.
