

安装说明

INSTALLATION INSTRUCTIONS

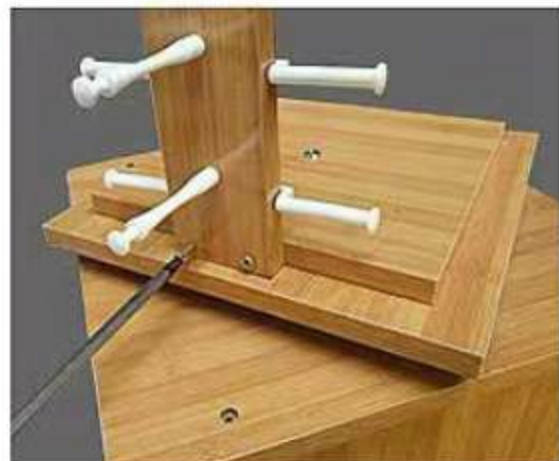

Install the roller slide at the bottom of the cabinet. There should be no holes at the bottom. Just find a good position and fix it directly with screws.

第二步

Install the nose pads for the glasses

第三步

Fix the panel and the base below one by one with screws.

第四步

After the bottom panels are all fixed, they should be fixed to the top panels in sequence

第五步

The door handle of the cabinet is fixed and it's don
