

ASSEMBLY

INSTRUCTIONS

Made in China

THIS INSTRUCTIONS CONTAINS IMPORTANT SAFETY INFORMATION.
PLEASE READ BEFORE ASSEMBLY AND KEEP FOR FUTURE REFERENCE

Assembly Notes

1. Please unpack all parts carefully before attempting to assemble, and ensure all parts are included and complete.
2. Assemble this item on a flat carpet or other soft places to avoid scratching and damaging the surface of items.
3. Please pay attention to how tight the screws need to be at each step.
4. We highly recommend watching the installation video for this product to make setup quicker and easier. If you encounter any problems during the assembly, please email with order ID and detailed description and we will provide you with professional technical support.

Precautions

1. There are small screws in the package, please keep them out of reach of children to prevent any accidents.
2. Children are forbidden to climb or play on the product to avoid any injury.
3. Keep plastic packing bags out of reach of children to avoid any potential danger.
5. This product is intended for indoor use only.
6. Keep the product away from fire sources and high temperatures. Do not expose the product to direct sunlight.
7. Maximum weight capacity: 300 lbs / 136kg. Please do not exceed the weight limitations of this item.
